**W**e highlight "types" of celeb babes this month, grouping them according to their most widespread reps & the way they're generally perceived (via the media). But if we've written it a million times, we'll write it one more: Any girl who gets naked on camera is a GOOD GIRL, with big ups in this category to God's-gift-to-men, **Erica Campbell**, who's made a dramatic change (see page 46). Starlets like smart 'n' sexy **Anne Hathaway** retain their class while baring ass, while Maneaters (**Monica Bellucci**) & Heartbreakers (**Angelina**) are just 24-hour *hot*. The choice is...*choice*.—(Lilshametongue)

# FRESH FLESH

From the post-apocalyp-*tits* of Marion Cotillard to Victoria's Secret Angel Miranda Kerr tan & topless, you'll be smitten by these sex kittens, reduced to staggering 'neath the giant shadow of Shauna Sand's *shelf*!

## MARION COTILLARD

**THE FRENCH BRANGELINA?!** In the land of wine, croissants & pubic hair, stunningly talented Marion is currently involved with actor Guillaume Canet—an affair as trumpeted by the press as Angelina's amour. But for those of you who came late to the game and only know maid Marion from her Best Actress Academy Award-winning performance as the ultimate French chanteuse, *Edith Piaf* (2007), we're here to catch you up on the sultry, no-holds-barred skin scenes that make her one of France's most celebrated sexports! Here, in *Furia* (1999), the future of Earth ain't bright, but gettin' *ridden* by Marion *more* than makes up for it *every* night!

**REAL FRENCH KISSES!:** Marble-eyed Marion's impressive breasts make for *titty nipple-slings* in *Pretty Things* (2001, this page, all), where she plays twin sisters who screw with each other's heads...as much as the ones *on guys* they bed & shed!

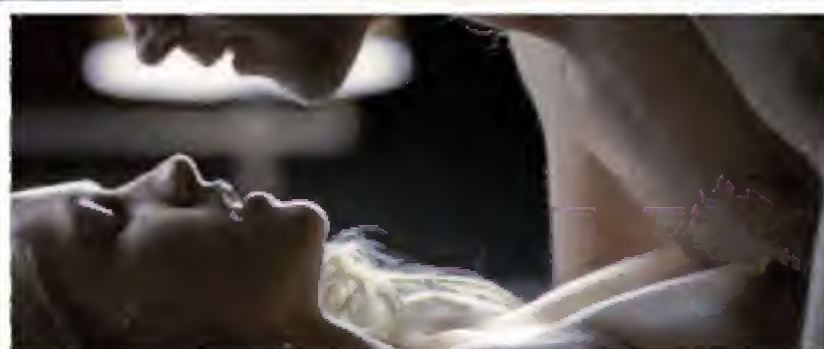

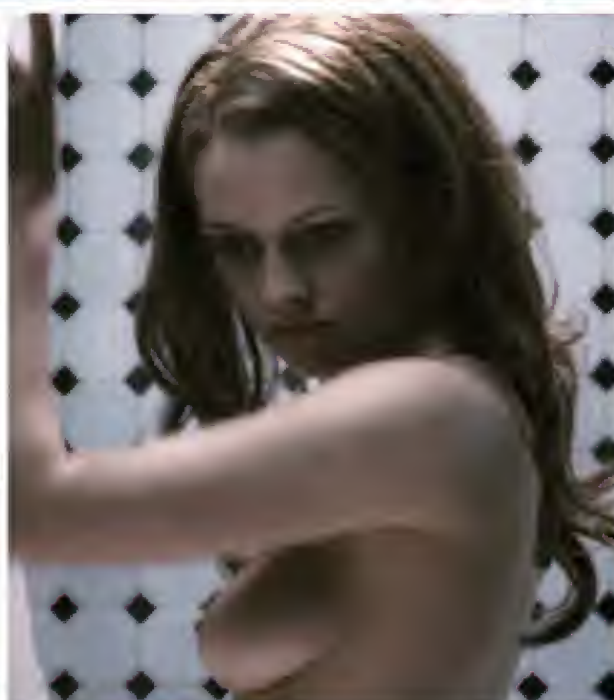

## TERESA PALMER

**PALM IT FOR PALMER:** Flaxen vision Teresa captivated her fellow Australians as a model & actress before making the leap to Hollywood by portraying a bully audiences loved to hate lusting after in *The Grudge 2*. Since, her career has skyrocketed, with a role opposite Daniel Radcliffe in *December Boys* and a star-making turn in the sexually charged psycho-thriller *Restraint* (2008, spread). Teresa is the ferociously female half of a criminal couple who take an agoraphobic man hostage to do...*nastiness*. The ordeal is lightened, though, by Teresa's relentlessly erotic bare bod. When it comes to showing off her *Down Unders*, Teresa shows little *Restraint*.

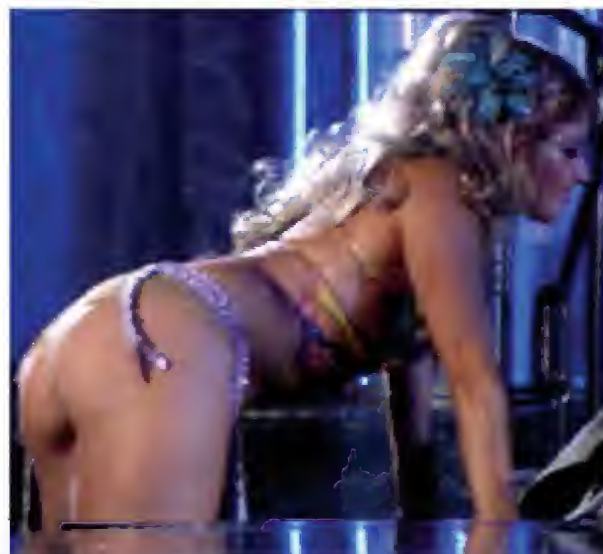

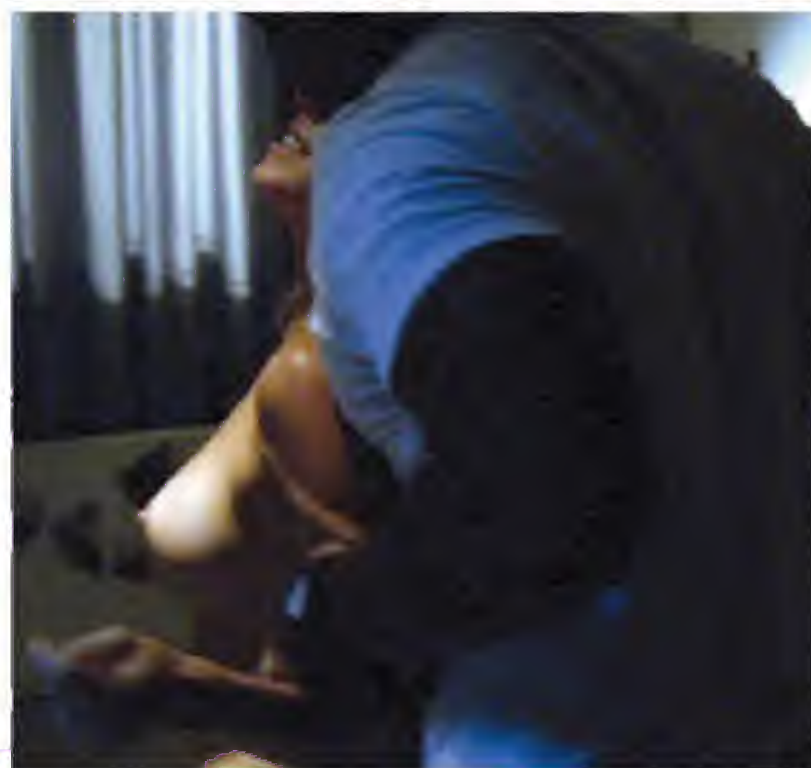

**TEASER TERESA:** Teresa's now filming a comedy, *Bedtime Stories*, with Adam Sandler and Aussies Lucy Lawless (*Xena*, anyone?) & Guy Pearce. We *firmly* suspect Teresa will add some *unwholesome* thrills to that otherwise innocent film.

## LISA ARTURO

**LIMBER LISA:** There's a very distinct line in the career of lust-igniter Lisa Arturo—it divides the time *before* she played a topless lesbian sucking ladyface with Denise Faye in *American Pie 2* (2001, opposite page, bottom)...and everything that's happened since. Luckily, much of what's gone down for this 5'6", hazel-eyed hottie in the wake of her nipple-y, Sapphic big-screen breakthrough has included her getting naked (again) on camera. Case in point(s): the flesh-'n'-blood-intensive *Insanitarium* (2008, right & opposite, top & middle). Lisa plays a wild woman who simply *cannot* keep her shirt on. *The Last Run* (2004, below) is good for a night's last rub....

— BUY THESE DVDS —

**ALL-ACTION ARTURO:** Lisa's physique is the result of a lifetime spent boogying...and kickin' butt. Her dance background consists of "ballroom, tango, disco, waltz, ballet, swing and club/freestyle," while her skills include "martial arts."

## LAURA RAMSEY

**LAURA THE SEXPLORER!:** "Discovered" waiting tables in L.A., Wisconsin-born-'n'-bred (she waited tables there, too) Laura made her bones (& boners!) *bodaciously*—*filmed doing sexiness* with a co-star in the tequila-'n'-condoms-galore, real-life docu-flick *The Real Cancun!* Though not an inch of skin was revealed and, in fact, "the deed" was filmed with infrared video, Laura smoldered sufficiently as a would-be wildchild temptress to get an agent—& legions of fans! After roles in *Lords of Dogtown* & *The Covenant*, Laura gets her *meatiest*, stripping raw to get *ruined* in *The Ruins* (2008, all), the grisly film based on the bestselling novel.

BUY THIS DVD

**VINE-RIPENED VIXEN!:** Above, as Stacy in *The Ruins*, Laura gives her onscreen beau (and lucky us!) a very succulent skinshow in a Cancun hotel room, preparing for the jungle journey of a life-or-death-time! This starlet is a comer to watch!

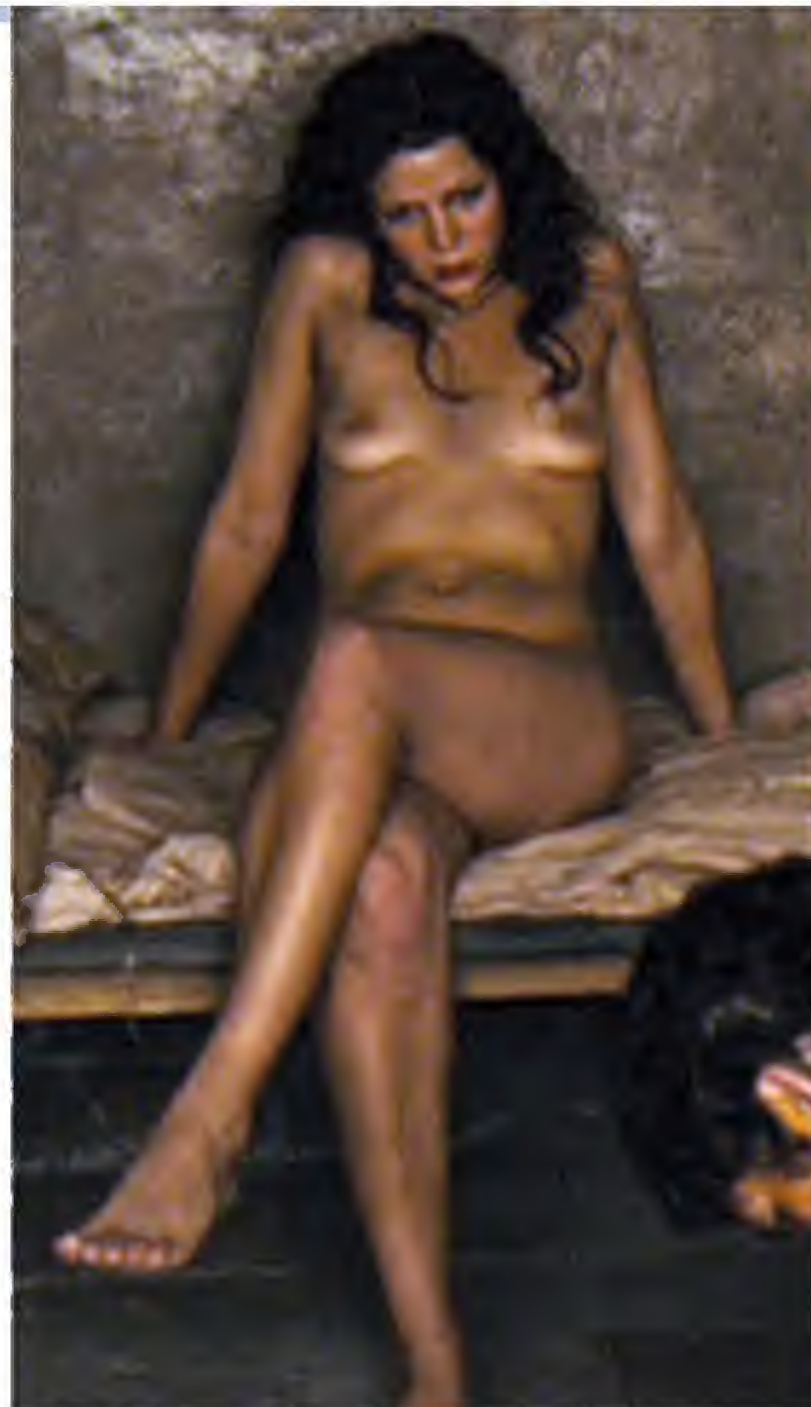

## JESSICA SCHWARZ

**SIX-PACK FACT:** Her parents own their own brewery, which has its perks, seeing as Jessica was officially named Ambassador of beer (Botschafterin des Bieres) in 2004!

**JESS IN DISTRESS:** At 31, this husky-voiced Berliner is a star in Germany, but didn't get much *all-American ogling* till she appeared fully nude—and greased up with animal fat—as nubile Natalie in *Perfume: The Story of a Murderer* (2006, spread). A former VJ for the German music channel VIVA, as Natalie, Jess is held captive by the perfumer Grenouille, who wants her *maiden musk* at all costs. Don't be surprised to find yourself scratch-'n'-sniffing these pages.

**SCHWARZ FOR YOUR SCHWANZ:** Rather than *schtupp* her, the 18th-century perfumer Grenouille prefers to breathe in deeply and inhale the *scentsualities* of Natalie's (Schwarz) cheeks, bellybutton and below.... Above, he noses her *nethermouth*....

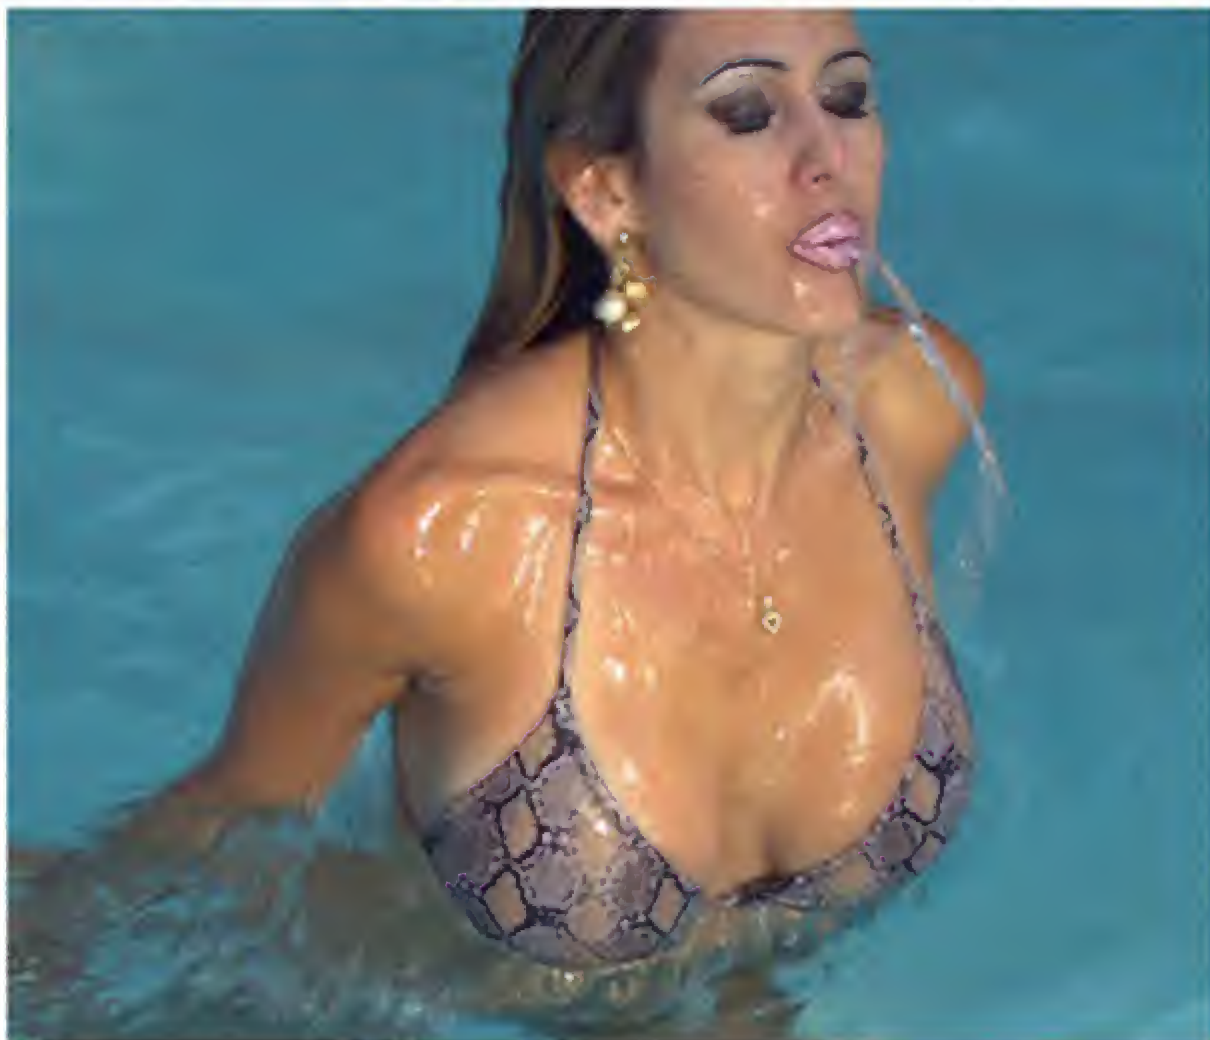

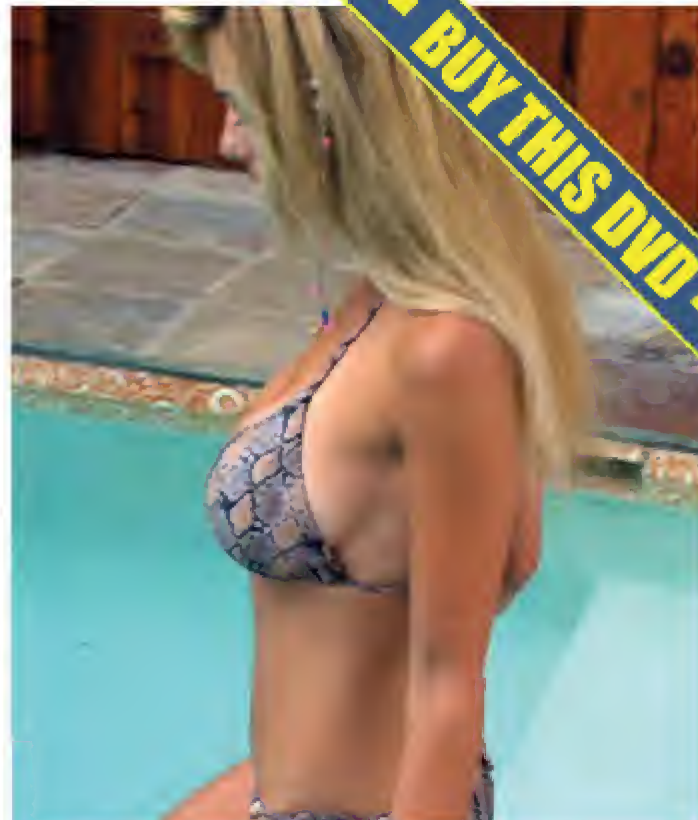

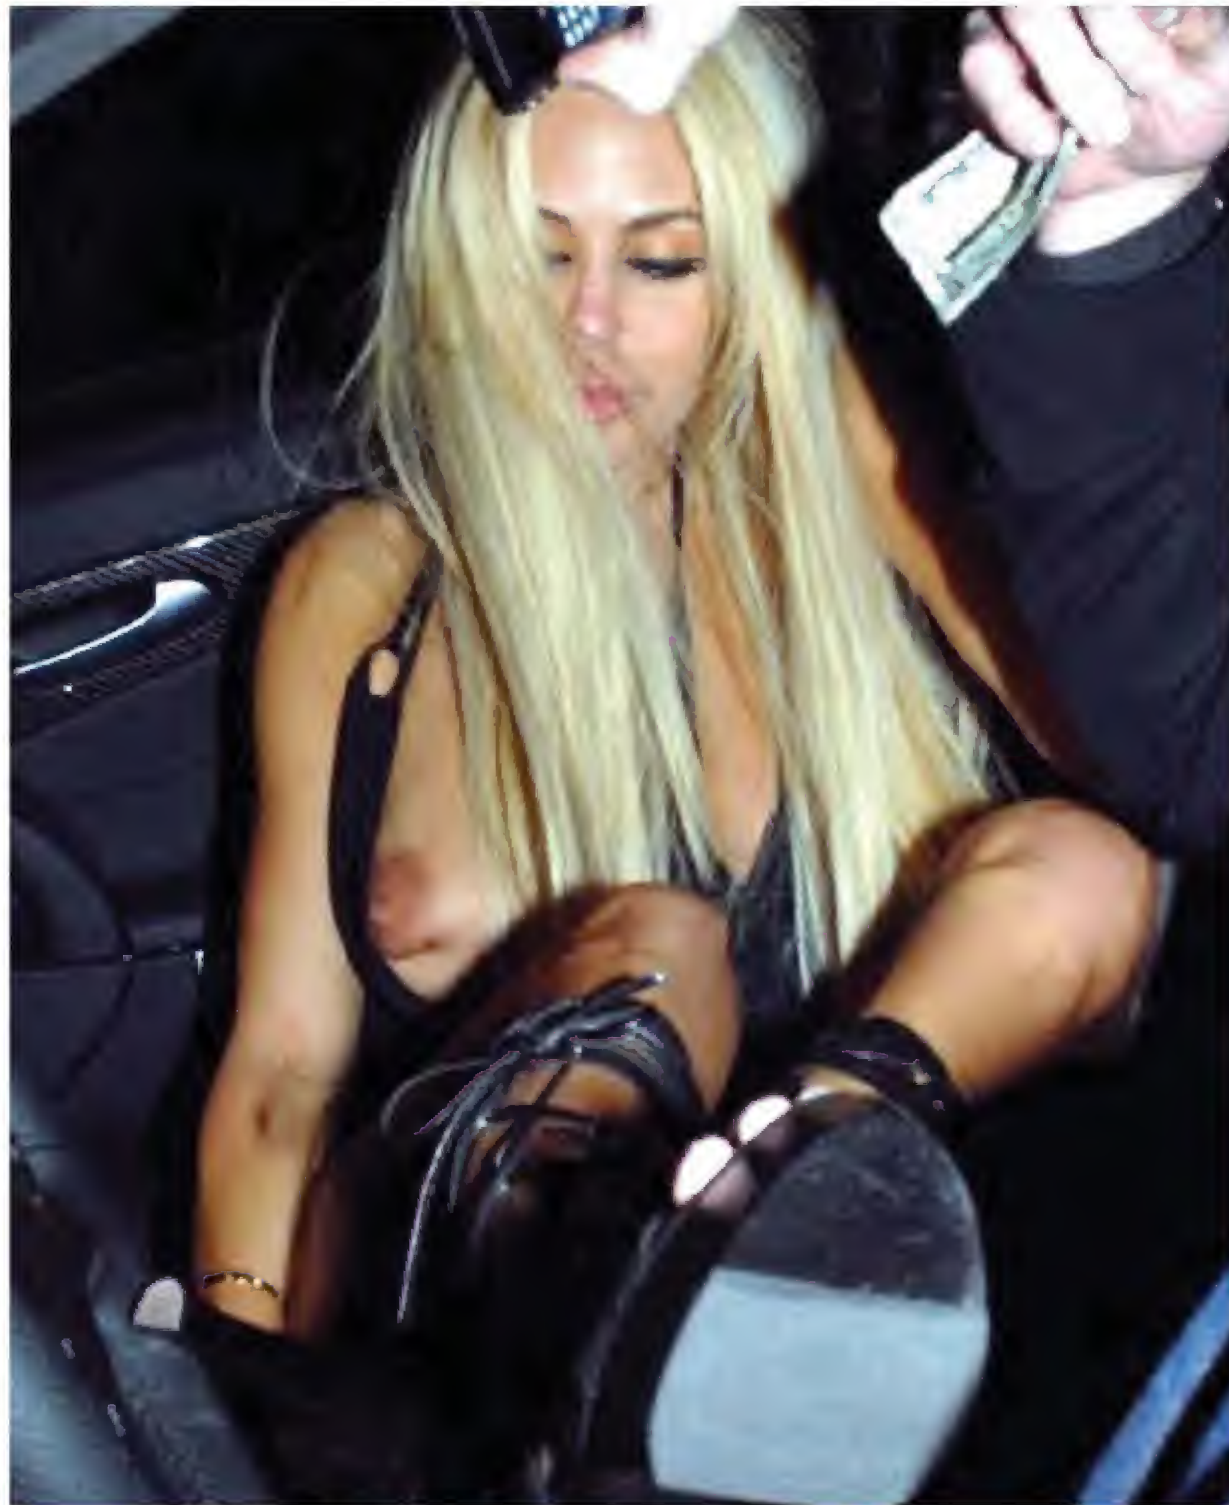

## SHAUNA SAND

**LUCITE LEGEND!:** "Sometimes people recognize me," says this *super*-stacked eye-catcher, "but if I'm dressed inconspicuously and not wearing makeup, I can go out in public without people knowing who I am." Fortunately, it seems like Shauna usually (just *barely*) dresses enough for the paparazzi to peep her every sexed-up sashay. This beestung-lipped, *bazooka*-bosomed blonde first captured *pants-first* attention as a nude model, followed by a role on the TV series *Renegade*. There, she met & married the show's star, Lorenzo Lamas (they later divorced). Shauna's now a staple of gossip blogs, most famed for her *stripper-style Lucite sandals*!

**SHAUNA LETS IT ALL HANG OUT:** She's routinely snapped spilling outta her skimpy ensembles, grabbing the spotlight wherever she turns up (and *pops out!*). She's a human fountain in *The Deviants* (2004, above)...this Sand is one hot beach!

BUY THIS DVD

## PENNY LANCASTER

**HOT LEGS!:** Standing a full 6'1" in her bare feet (6'4" in heels!), Rod Stewart didn't necessarily break the mold with leggy Lancaster (his *third wife*, though he also had lusty, long-term relationships with such notably nymphy blondes as Britt Ekland & supermodel Kelly Emberg)—he just went for more *Amazonian* gorgeousness! A professional photographer & model, pretty Penny met "The Rod" when he personally asked her to photograph him whilst on tour. Though they paired up only months after Rod separated from then-wife Rachel Hunter, Rod truly seems to have found his "lucky Penny"—with a *tail* that's every bit as lovely as her *head*!

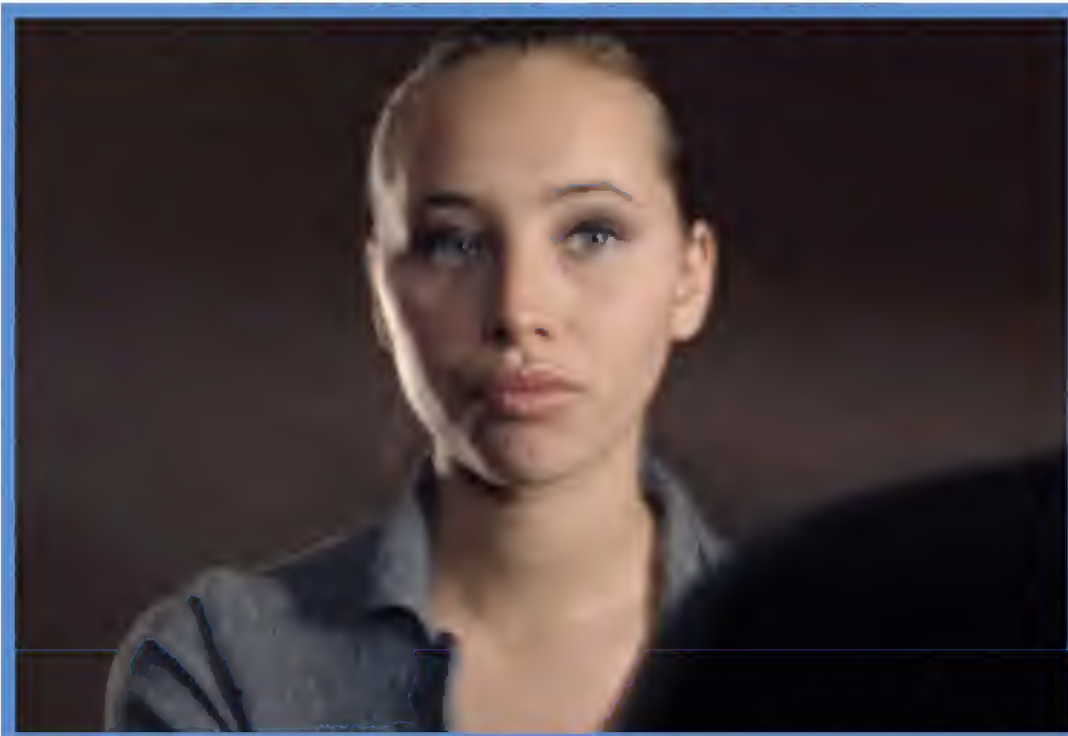

**PENNY POURS A PLEASING PINT!:** In 1979, Rod's album, *Blondes Have More Fun...or do they?*, hit #1. Today, at 63, he clearly maintains this stance whilst having a very public suckle on Penny's *perky plumpies* aboard his luxury yacht.

## ISILD LE BESCO

**ODDLY ISILD:** "My first step writing...was the idea of going to the snow and having sex with a girl. It changed later to the sea. But that was the most important thing, the loneliness of being young and alone." (On creating her film, *Charly*)

**LE SEXCO!:** From the neck up, she's unusual, otherworldly; from the neck down, she's *all woman*—and never flinches from flaunting her fertility, displaying every inch of her fleshy bod throughout her career. 2005 saw her playing Lucie, the psychoSapphic groupie of a French Madonna-like pop icon in *Backstage* (opposite, middle & bottom), doing what gropey groupies do best—*bedbounce!*

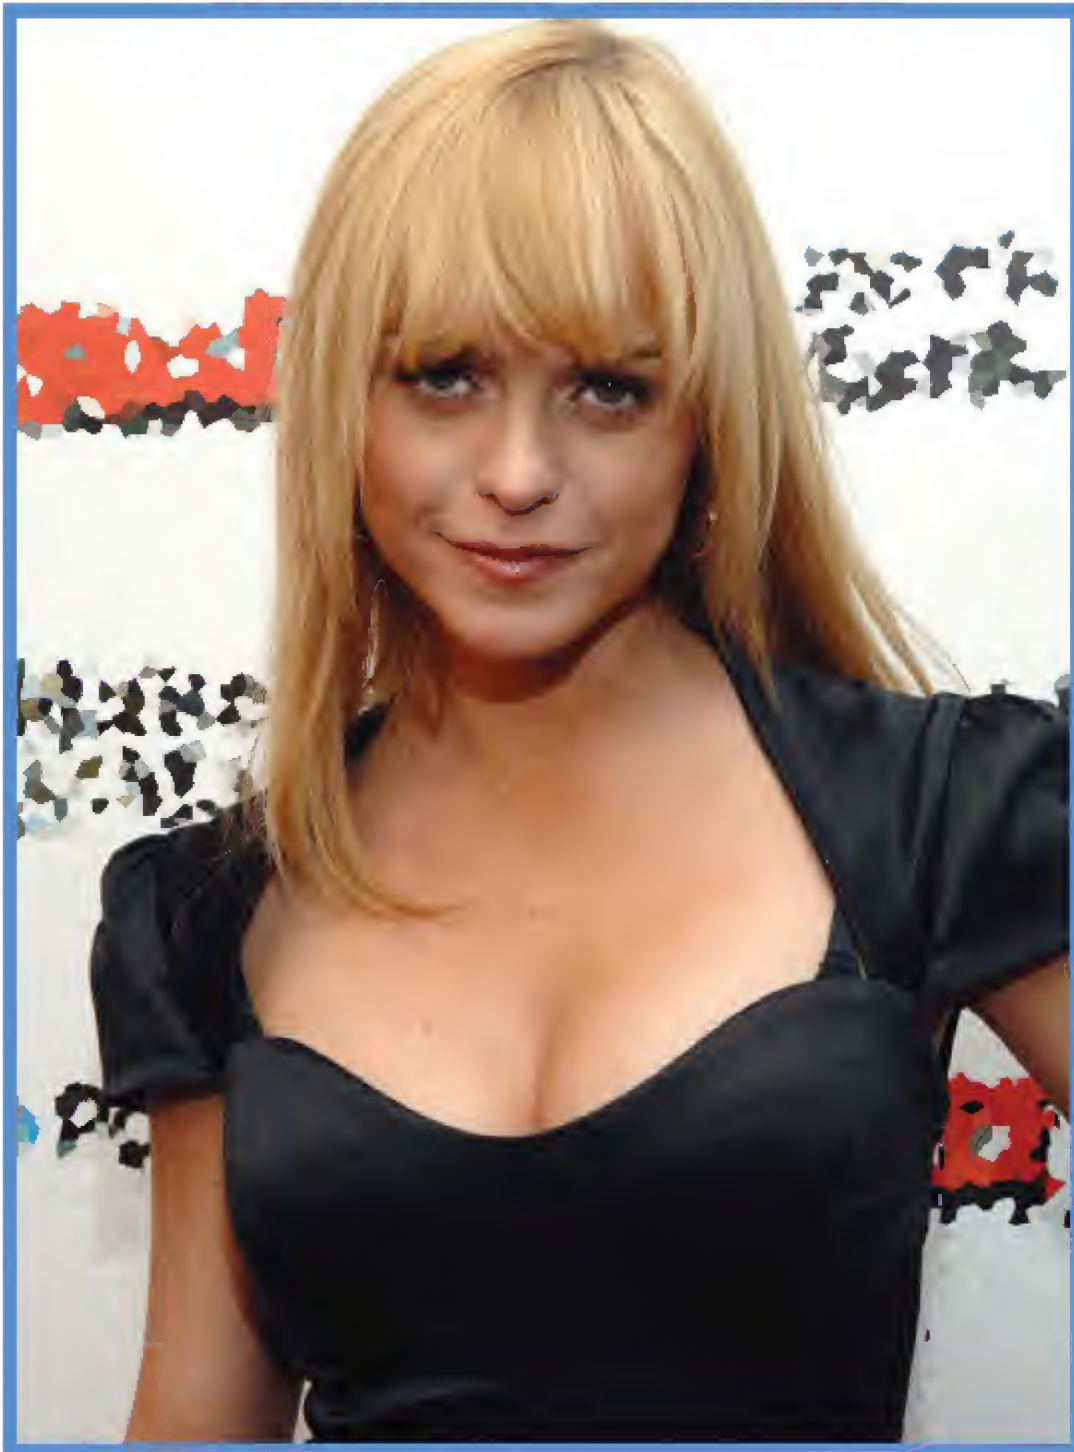

— BUY THESE DVDS —

**TOUCHABLE:** In *The Untouchable* (2006, opposite, all, & here, top), Isild is Jeanne, a sleeky, sexual actress who's *curried in a hurry* when she journeys to India to find her papa, a member of India's untouchable caste. Cue the sitars and steamy sex!

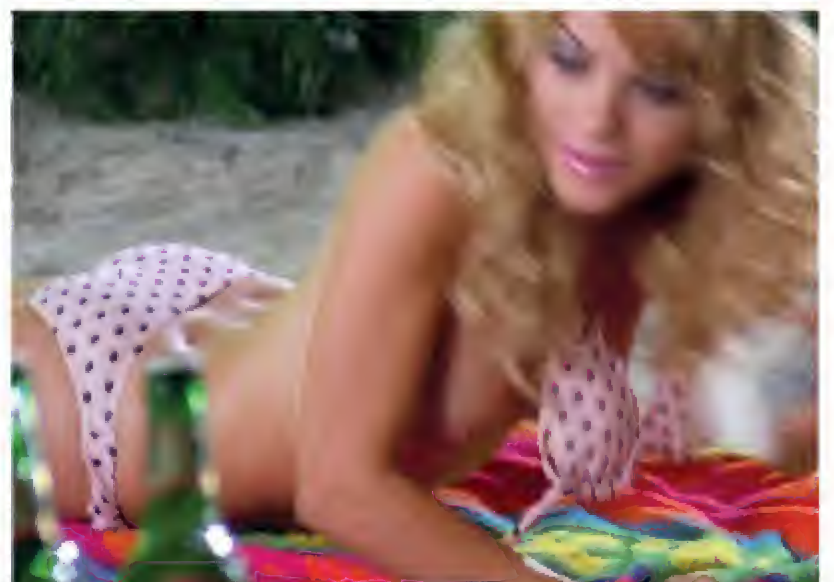

## TARYN MANNING

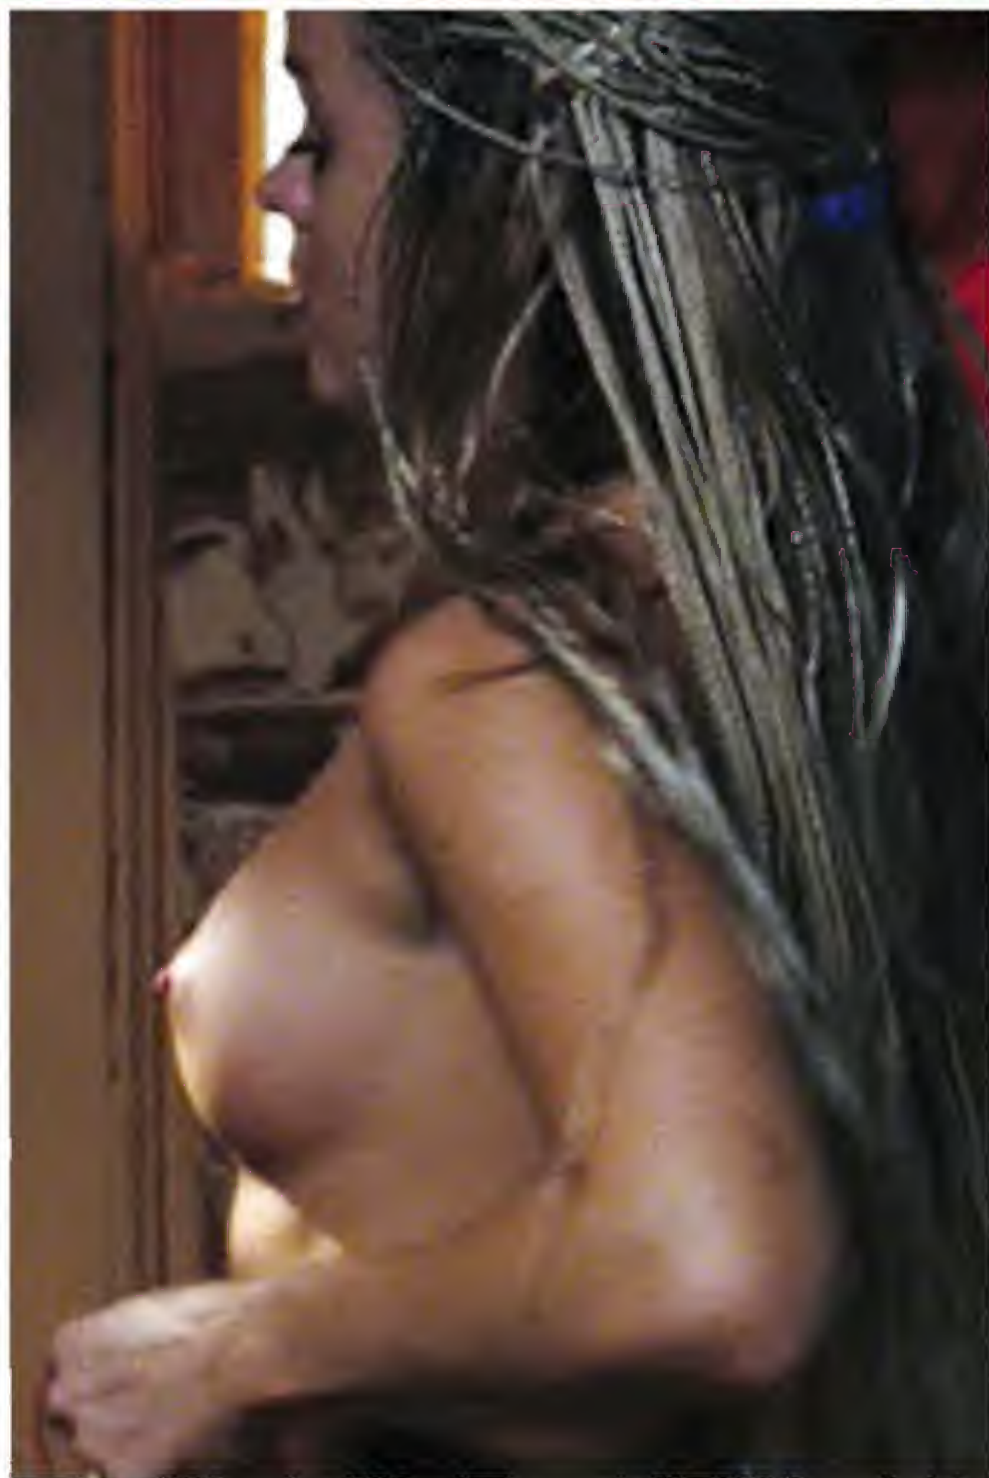

**FROM HER ROCK 'N' ROLL HOLE:** "I'm like an animalistic rock chick!" (Check out her electronic music duo, Boomkat!)

**HERE, MANNING'S TANNING:** Hard-bodied, husky-voiced Taryn was born in Arizona, raised in Virginia. Obviously, those warm-weather climes *simmered* this saucy pixie, as her every move and 'tude exudes steamy raw heat. She broke through in *Crazy/Beautiful* (2001) & opposite Brit-Brit Spears in *Crossroads* (2002), but she's *all Miss Thang* in the acclaimed whoremonger-with-a-dream drama *Hustle & Flow* (2005, opposite, bottom right)! It's *hard down here* for a pimp—especially when Taryn, as Nola, says, "I'm in charge."

— BUY THESE DVDS —

**TARYN, BARIN':** In *Jack and Jill vs. the World* (2008, opposite, all & this page, top & left), she accidentally flashes her funbags twice—when her bikini top slips low & again while snugglin'. Don't have an accident yourself as you enjoy those suckers.

## MIRANDA KERR

**SWEETHEART SUPERMODEL:** The press has already dubbed her "the next Macpherson" (as in, Elle "The Body" Macpherson).

**DIMPLED DOLL:** Miraculous Miranda is what you get when you make love & mix some Serbian, Persian, Filipino & Australian ancestry into the baby batter...resulting in the very first Australian Victoria's Secret Angel! With her blue eyes, trademark dimples & sheila-next-door vibe, this leggy Aussie with the sexy accent makes men feel *the thunder Down Under*, having romanced no less than pirate throb Orlando Bloom. She practices Nichiren Buddhism, chanting every morning & night for 20 minutes...while we...*pant*.

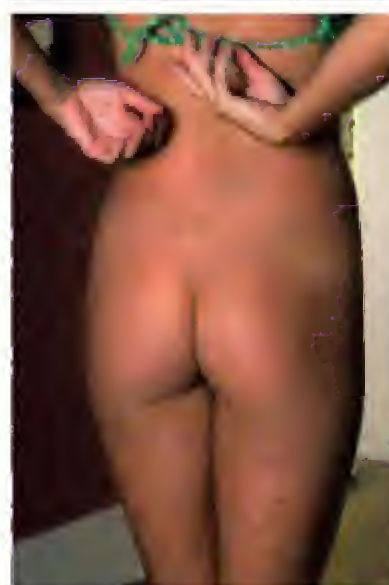

**RIPE 'N' RANDY "RANDA":** Randa (her nickname) looks cuddlier than a panda...and about as slim as a panda's favorite meal (a bamboo shoot) in these paparazzi shots snapped publicly at the Gran Hotel Residencia in Gran Canaria, Spain.

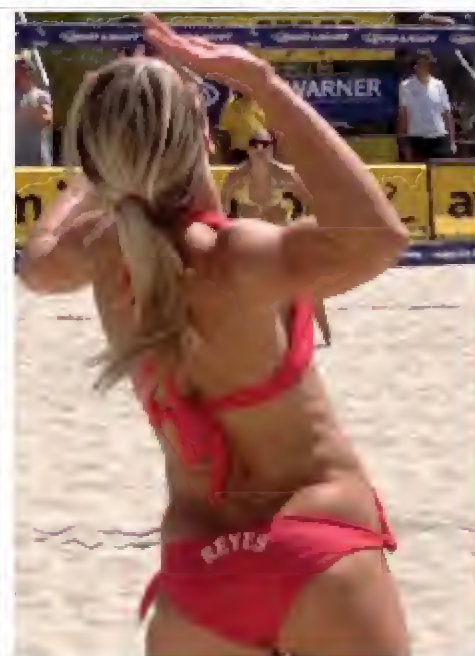

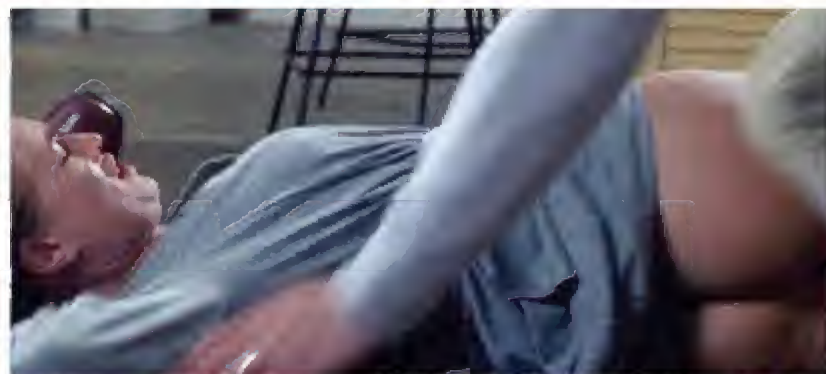

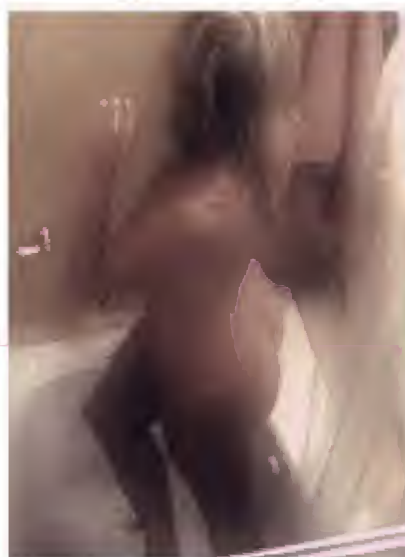

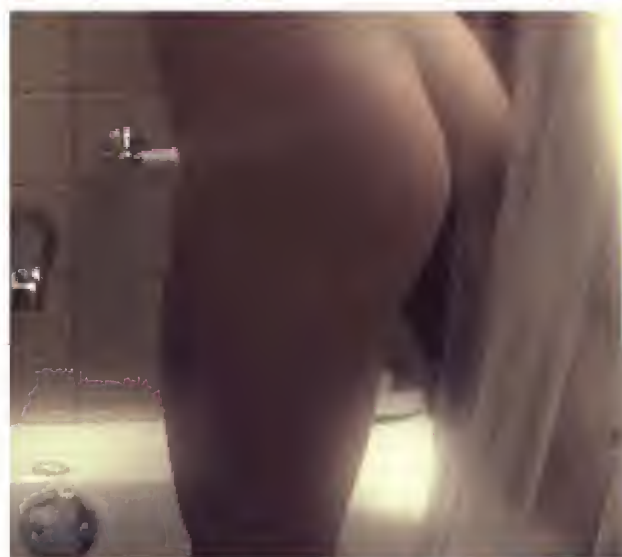

## MELISSA KELLER

**KICKASS KELLER:** Who wouldn't want to make an *in-slide* impact on the flawless physique of model-cum-actress Melissa? The erotic thriller *Impact Point* (2008, spread) showcases the *Sports Illustrated* swimsuit issue *skinsation* as a pro beach volleyballer who falls prey to an obsessive fan. The creep takes his affections too far, but it's not hard to understand how anyone might become *udderly* enraptured with 5'9", 34-24-34 Melissa; one real-life admirer is *Entourage* star Adrian Grenier, *lust-linked* to Melissa by gossip sites. This *beach-peach* bikini babe top-tiers her tatas for Revlon & Gap—and has even modeled in nothin' but...*bodypaint*!

**BRIAN AUSTIN GREEN WITH ENVY!:** That guy from 90210, Brian Austin Green, not only plays Holden, the guy who beds (then stalks) Melissa's comely character, but—*HE BEDS MEGAN FOX IN REAL LIFE*. Point? It's good to be "The Green."

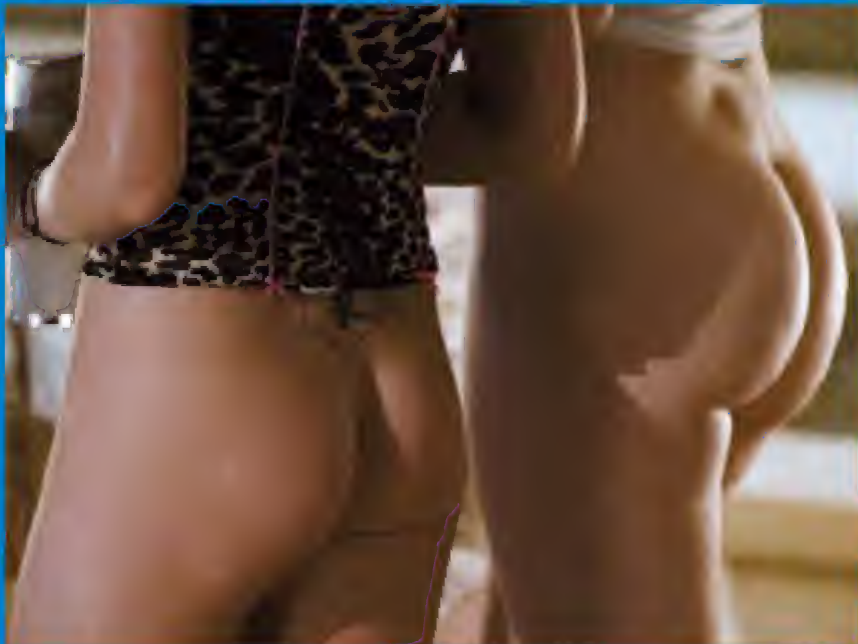

**A**h, Harold (John Cho) & Kumar (Kal Penn)...doing for Asian-& Indian-Americans what practically the entire *prior* cinematic portrayals of the respective cultures never did: giving dudes like H & K *realism* by daring to assert that they're funny, horny, love weed & get into hysterical trubs — just like most guys. *Escape* (2008) has more Neil Patrick Harris gone berzerk, more boobs — and *banzai-ed bush*!

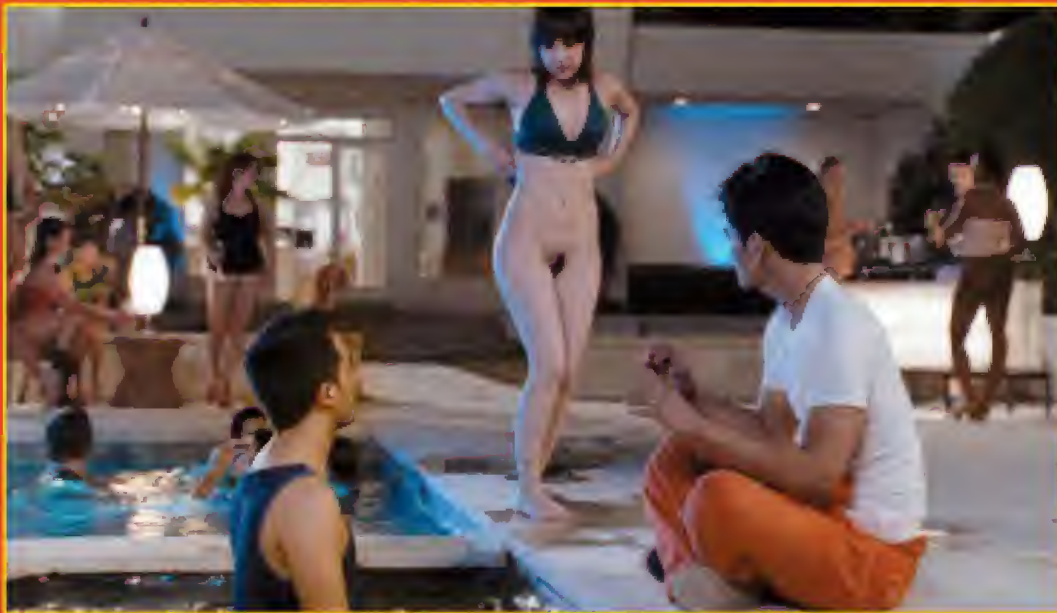

BUY THIS DVD

Trippy-but-smart, *Escape* details the inadvisability of trying to smuggle a bong onto an airplane & has Neil Patrick Harris stating, "There is nothing on the planet that I love more than a hot, new p\*\*\*y."

**HAROLD & KUMAR**  
ESCAPE FROM GUANTANAMO BAY

BUY THIS DVD

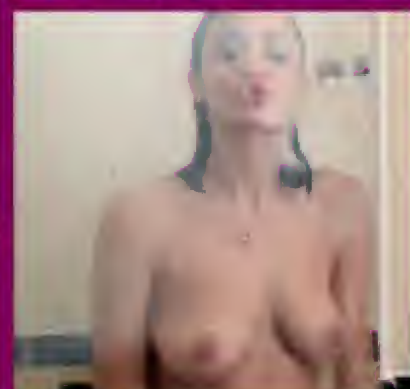

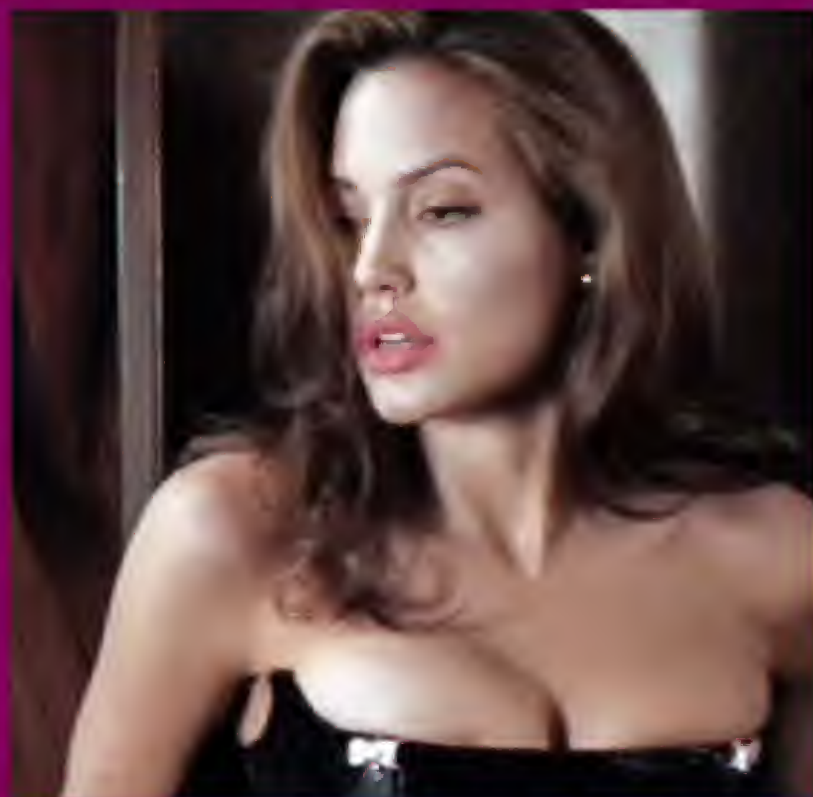

Having escaped Gitmo, H & K hide out & attempt to chill with pal, Raza, who, "sick of all the hype over topless," states, "I'm starting the bottomless trend! Hence—the bottomless party." *Exxxcellent.*

# HEARTBREAKERS!

Goin' skin on skin in sex scenes is all in a day's work for an actor. But if starlets see stars (or \$\$\$) sexin' co-stars—broken hearts & scandal result! The same seems to go for widowed Beatles & big, rich jocks!

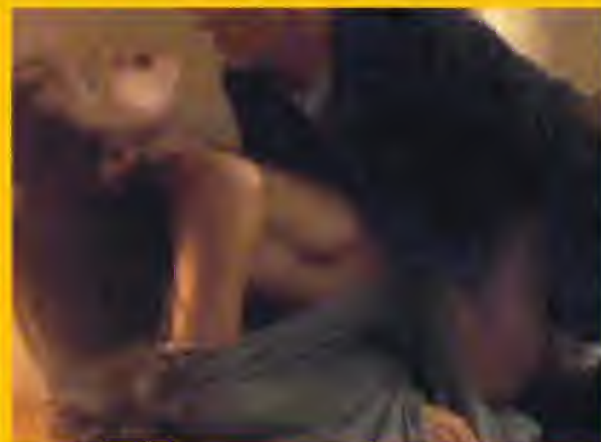

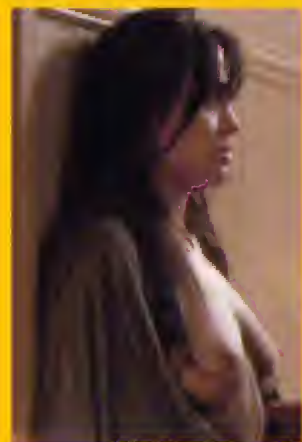

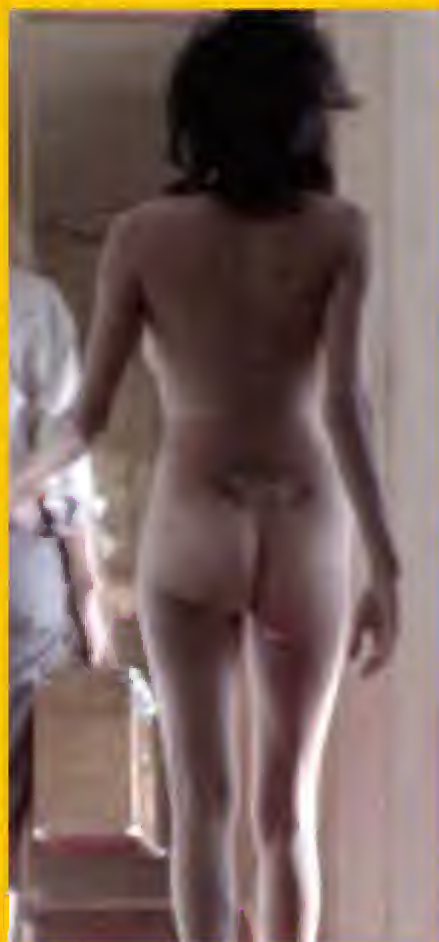

## ANGELINA JOLIE

**ALTERED ANGIE:** "I've never hidden my bisexuality. But since I've been with (him), there's no longer a place for that or S&M in my life." (Note: Feel free to weep now. Just weep like a *dude*, okay?)

**GIA...MAMMA MIA!** A fierce force of naughty-by-nature, Angie may be irresistible; after all, what other starlet's mystique can compete? Her famous, blond, mega-star babydaddy was wed to a certain *Friend* when he began filming *Mr. & Mrs. Smith* (2005, top right) with Jolie. By the time the flick opened, he'd ditched her for Angie, whom he's stuck by since, makin' a motley crew of kids. It's easy: To peep Angie is to want to *keep* her.

**MOTHER OF ALL MILFS!:** Consider Angie's bod of work, from *Foxfire* (1996, top) & *Mojave Moon* (1996, opposite, low right), to *Gia* (1998, right) & *Original Sin* (2001, middle left) & *Taking Lives* (2004, above). We note a theme: HUGE. REAL. JUGS!

## GISELE BÜNDCHEN

**MOYNAHAN FUMBLES...BÜNDCHEN SNATCHES IT**

**UP!:** Lauded by *GQ* as "The Return of the Sexy Model," Gisele hit it big as a top-\$ posers & sometime actress—2004's Jimmy Fallon comedy, *Taxi* (opposite, far right)—and seemed to turn into a *bed-hopping bird of prey!* After dating Leonardo DiCaprio & pro surfer Kelly Slater, she took up New England Patriots quarterback Tom Brady...just as actress Bridget Moynahan announced herself Brady's babymama. Today, Brady may have lost the Super Bowl (to THE GREATEST TEAM OF ALL TIME!), but he's still got gazelle Gisele. Nobody's perfect, but that's pretty freakin' close.

BUY THIS DVD

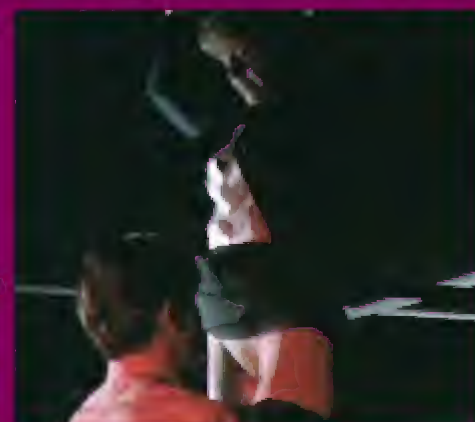

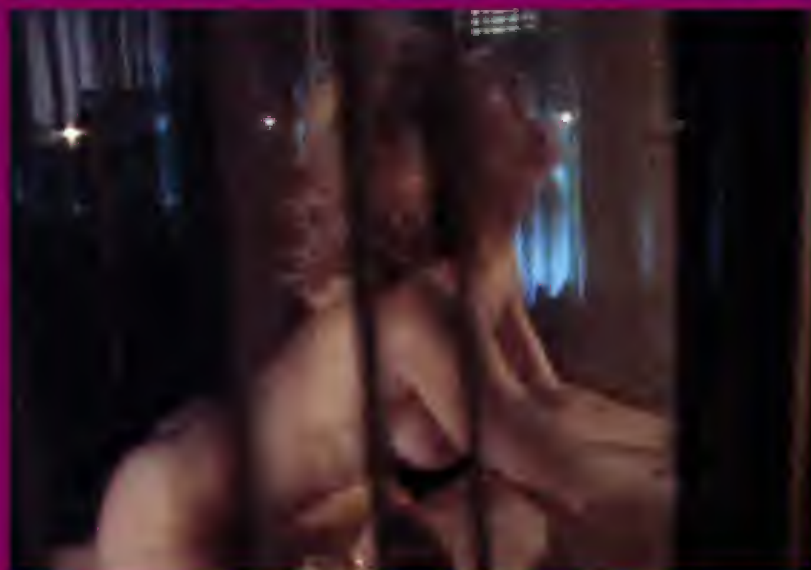

**SLEEPING WITH GISELE:** "Sometimes when it's too hot, I just sleep in my underwear. I like very fluffy beds. Now, if I have my boyfriend with me, I kick him out of bed, because I move around a lot. I'm the worst person. I steal blankets."

## MADONNA

**ALWAYS IN "VOGUE":** With rabid rumors aswirl in the mongrel media about her *alleged* affair with A-Rod of the New York Yankees, Madonna, who's just on the doorstep of fifty, remains quiet as a cougar on the prowl, even as her own marriage to filmer Guy Ritchie gets its share of prurient press, and her own brother, Christopher Ciccone, unleashes a tell-all about life with his sis, The Empress of Erotica. Her body of *skin-ematic* work—with such high-'n'-low-points as *Body of Evidence* (1993, here & opposite) & *Swept Away* (2002, opposite, bottom) does much to illuminate the *pleasin'* reasons behind her undeniable staying—and *preying*—power.

— BUY THESE DVDS —

**STICKY 'N' SWEET:** A-Rod's clearly soon-to-be-ex-wife, Cynthia Rodriguez, issued a statement through her lawyer contending that Madge & A-Rod had "an affair of the heart" and "not sexual infidelity." Still, for C-Rod, it's "the last straw." *Batter up!*

## ABBIE CORNISH

**AROUSING A-LISTER ARISING!:** Though she became a tabloid tart as the Aussie aphrodisiac who allegedly made Ryan Phillippe stray from his movie-magical marriage to Reese Witherspoon, this blossom (who could pass for Charlize Theron's kid sis) has the talent to outshine her heartbreaker *taint*. Pale and bosomy with an angel's face, she was a jaded junkie opposite the late, great Heath Ledger in *Candy* (2006, opposite, bottom) as the girl with the sugartits who whores for heroin...and goes from gamine to grunge. Nubile in *A Good Year* (2007, this page), it's easy to see why she makes Phillippe wanna get *Abbie-sticky*!

BUY THESE DVDS

**CORNISH PASTIES!:** As runaway Heidi in *Somersault* (2004, this page, top & middle), Abbie's apparently in such a rush to get away from home that clothing's optional. Then again—what dude in his right mind would drive past a booty *this* cutie?

# REHAB GIRLS!

At this nadir of Western civilization, in the fame game, entering rehab (for reasons disclosed or lied about) is nothing short of a rite of passage for some screwed-up starlets. Soused or sober, we love 'em all.

## BRITNEY SPEARS

**REIGNING REHABBER:** First, she asked us to *hit her, baby, one more time*. Then, *oops—she did it again*. Next, she was *crazy*. Indeed, the slumps & bumps endured by pop tart extraordinaire Brit-Brit really *do* uncannily mirror the titles of her biggest hits, like...*"Toxic."* Britney Jean Spears, the twice-married mama-of-two who, in recent years, has buzzed her head bald, launched a wild umbrella attack & parted her panty-free thighs hopping out of a car before the glare of a 1000 flashbulbs has also reportedly been in and out of rehab 3 times. Today, she's conquered her chemi-demons; regardless, we commend her cuz she just keeps on keepin' on.

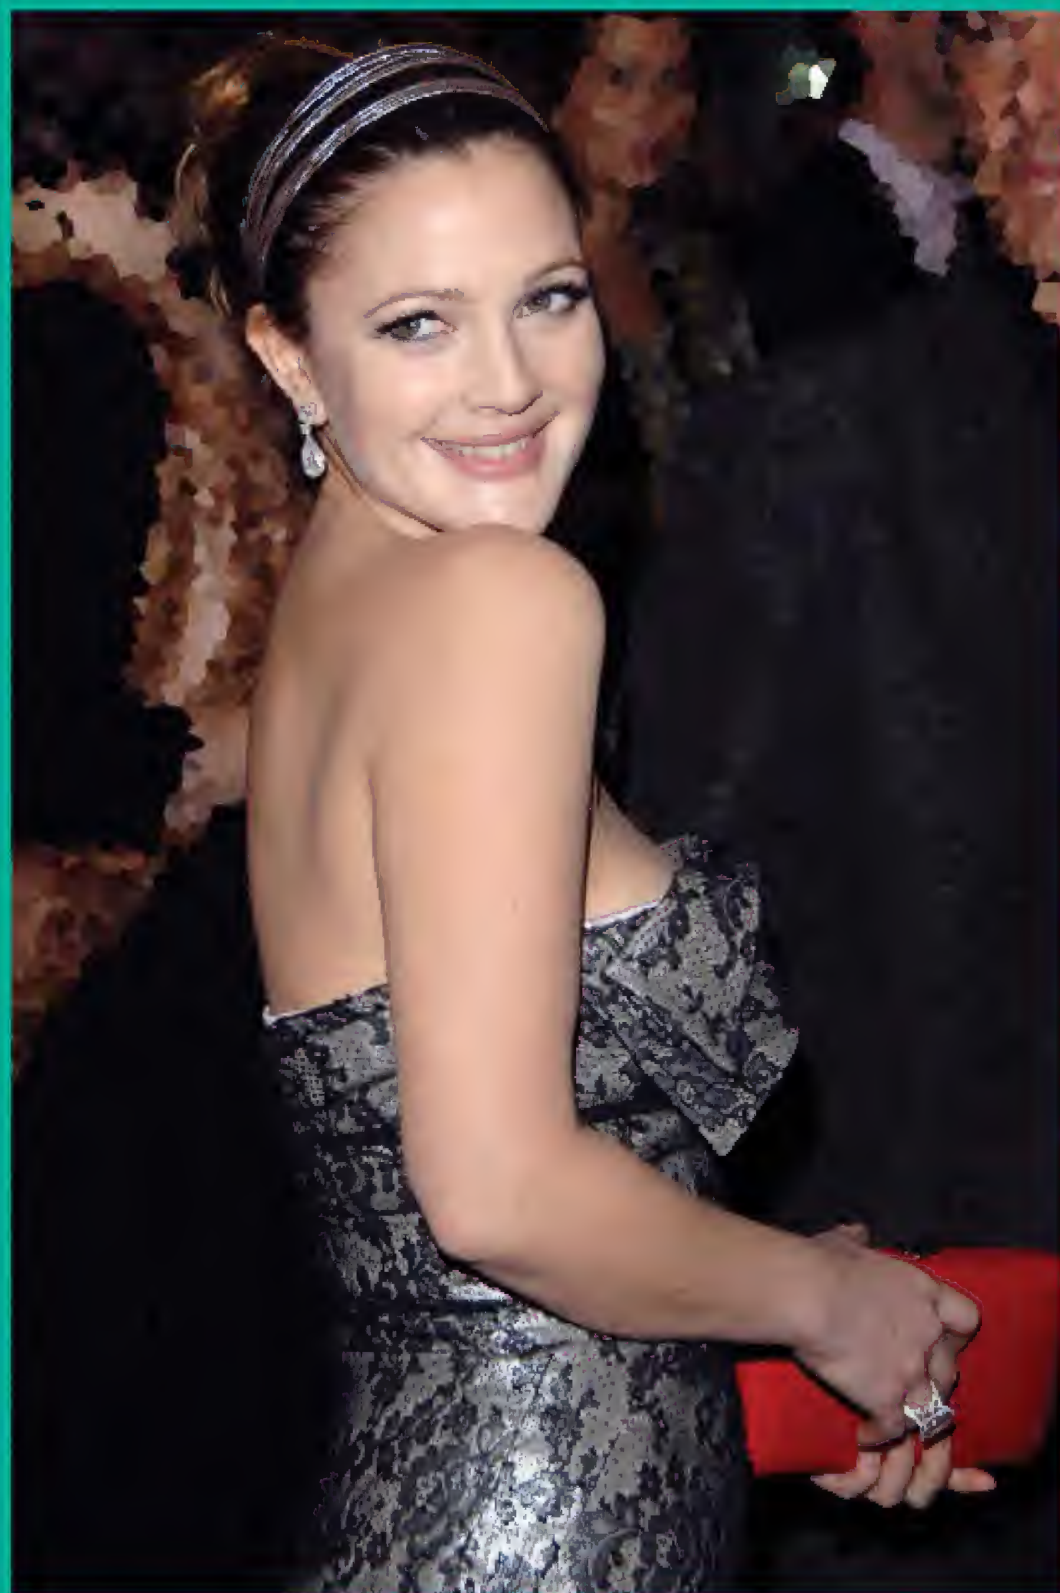

— BUY THIS DVD —

**BRITNEY..BACK TO FIT-NEY:** In July, it was reported that Brit's filming a kinky video to be included as part of Madonna's upcoming world tour. The Tempestuous 2, it seems, remain close since they sucked face at the MTV Video Music Awards.

## DREW BARRYMORE

**TRUE DREW:** "I know certain actors are totally screwed up on drugs, yet it gets covered up. Why wasn't I excused for 'exhaustion' or 'the flu'?"

**DEMON-FREE & DELECTABLE!:** This free spirit broke free from the Hollywood deathwish/chokehold before it got the better of her, emerging like a butterfly (one of her personal emblems) from its chrysalis (the ASAP Family Treatment Center) to make flicks like *Boys on the Side* (1995, right) & *Bad Girls* (1994, below). Though she earned her ditzy wildchild rep climbing atop David Letterman's desk and flashing him live on his show, Drew is a luminous survivor.

## LINDSAY LOHAN

**SOBER & SAPPHIC?:** This reckless redhead may be Hollywood's *ultimate* Rehab Girl. She tends to smoke, drink, party, total cars & get arrested. Of course, of late, it seems like Linds, who got her barest to date in the mega-flop *I Know Who Killed Me* (2007, all), has become *joined-at-the-lips-'n'-hips* with out-and-proud lesbian DJ Samantha Ronson. After rehab at the Cirque Lodge & Wonderland Center and even a day in jail, though, Linds seems at peace in the presence of her piece (of ass). The pair have been lensed nuzzling in public, and even Papa Lohan says the affair is evident to "anyone with half a brain." Howsa 'bout half a hard-on?

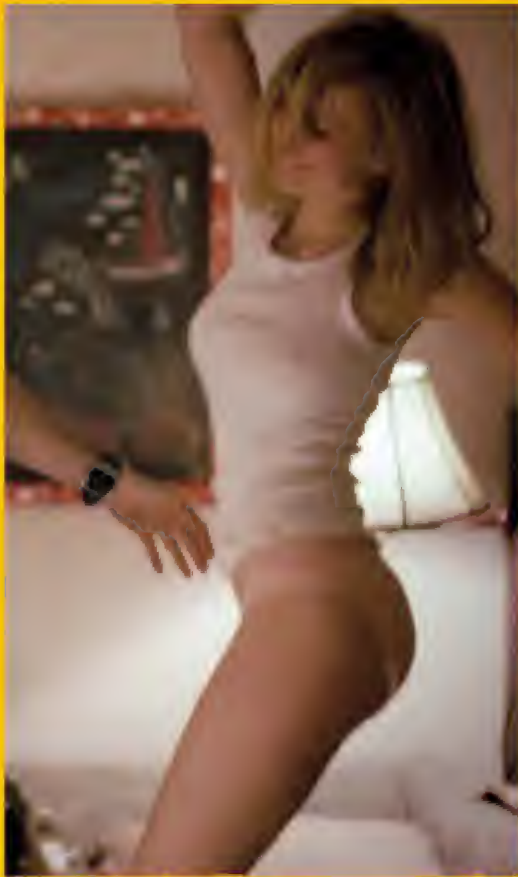

## KIRSTEN DUNST

**FROM "DRUNKST" BACK TO DUNST:** Kirsten's been such a sexy, young minx in contemporary cinema for so long—bringing her singular brand of mischievous eroticism to films as diverse as *Spider-Man* (2002, below) & *Eternal Sunshine of the Spotless Mind* (2004, opposite, all)—that when reports broke that Kiki (as friends call her) was being treated for depression in rehab, it seemed hard to believe that this bubbly blonde could be beyond bummed. Still, having played—and *displayed*—as *Marie Antoinette* (2006, right), Kiki may have been knocked on her tail by various issues, but with a knockout tail like hers—she's bound to bounce back...*beautifully*.

— BUY THESE DVDS —

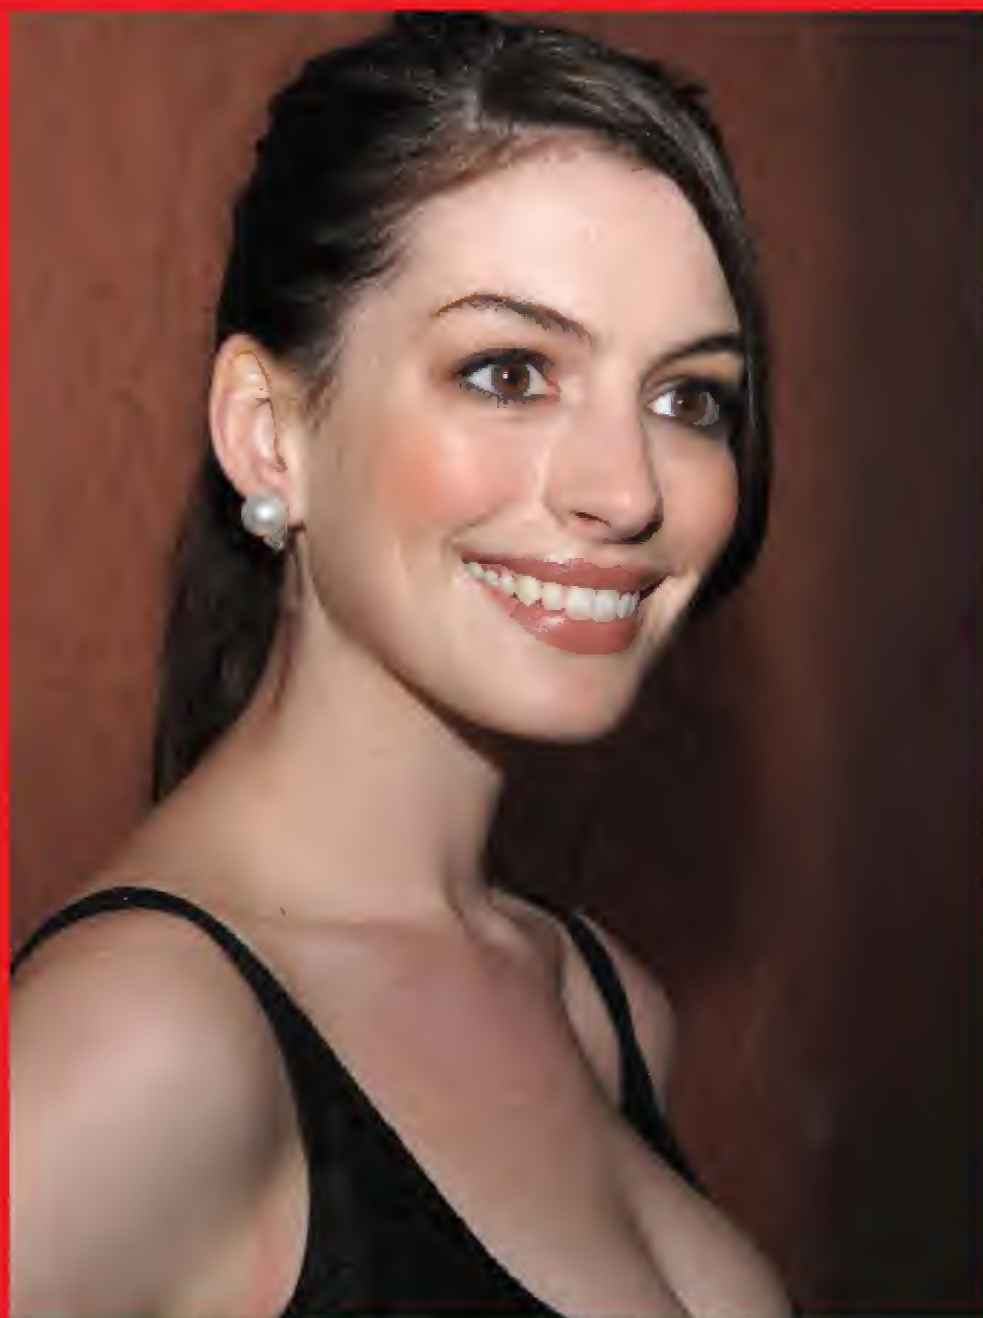

**KIKI FREAKY!:** As Mary in *Eternal Sunshine*, she utters, almost presciently, the line: "Adults are, like, this mess of sadness and phobias." She recently checked herself into Cirque Lodge in Utah, following sista rehabbers Lindsay Lohan & Eva Mendes.

# GOOD GIRLS!

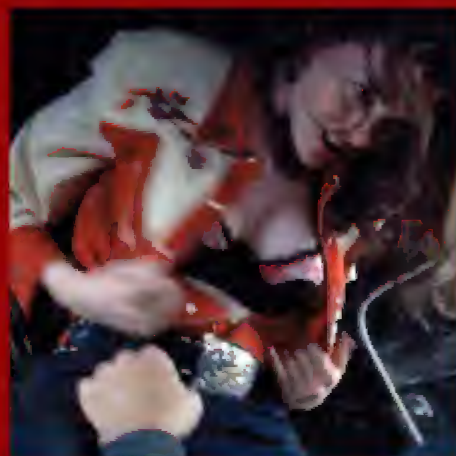

Honestly, at *Celebrity Skin*, we don't discriminate; if you're a lovely woman, liberated and generous enough to bare your assets—you're a good girl. These few, however, we distinguish for their grace under fire.

## ANNE HATHAWAY

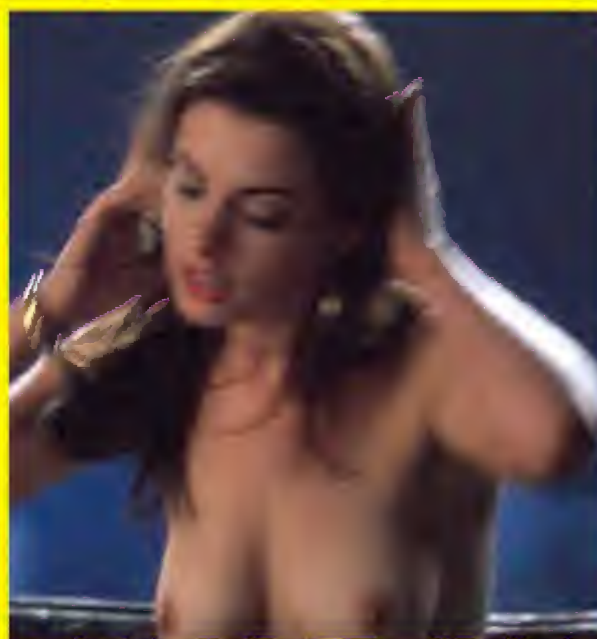

**SHE AIN'T INSECURE:** "I've intimidated men my entire life and it has nothing to do with fame."

**SHE HATHAWAY ABOUT HER:** We'd love a pervy peek into this princess's dirty diary, and *drawers*, as well, but we think we may not get to wink at her royal *pink* for a very long time if she intends to maintain her "SERIOUS ACTRESS" image. Not to say that this toothy scene-stealer's without controversy or a lil' *chesty chicanery*; after dumping con man beau Raffaello Follieri, Anne's on the prowl again—*thank you, Lord!* At least we have *Havoc* (2005, opposite) & *Brokeback Mountain* (2005, this page) to tide us over.

— BUY THESE DVDS —

**MORE LIKELY TO WEAR PRADA, THAN NADA:** Annie's fanny was on display (fully clothed, mind you) as slinky Agent 99 in *Get Smart* (2008), as Anne holds to her stance of only baring her *booblets* if she feels it adds significance to a role.

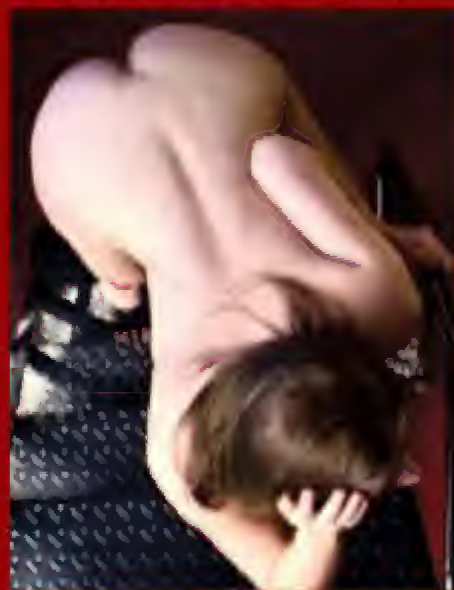

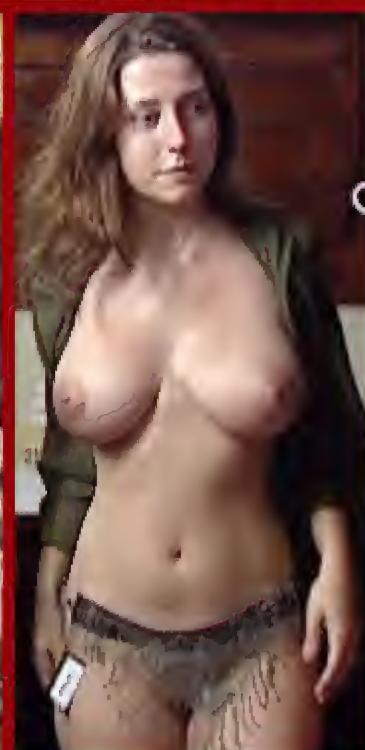

## ERICA CAMPBELL

**GOOD 'N' GUILTLESS:** To call Erica *merely* "a busty nude model" would be a *severe* understatement, as the miraculously *all-natural*, *ultra-stacked* doll more than lives up to the title of her video, *Erica Campbell: Busty Nude Model of the Year* (2007). Named Best Nudecomer of 2008 by MrSkin.com, unfortunately for *fist-happy* fans of Erica's massive *bouncers*, as of May 11, 2008, angelic-faced Miss Campbell announced she's found religion...and that we'll no longer find her naked in front of a camera. The only proper response? "Holy *titt!*" Still, if you want to see sweet Erica as she truly is today, visit her at [clubericacampbell.com](http://clubericacampbell.com).

## KATE WINSLET

**FROM HER LOQUACIOUS LIPS:** "I like exposing myself. There's not an awful lot that embarrasses me. I'm the kind of actress that absolutely believes in exposing myself."

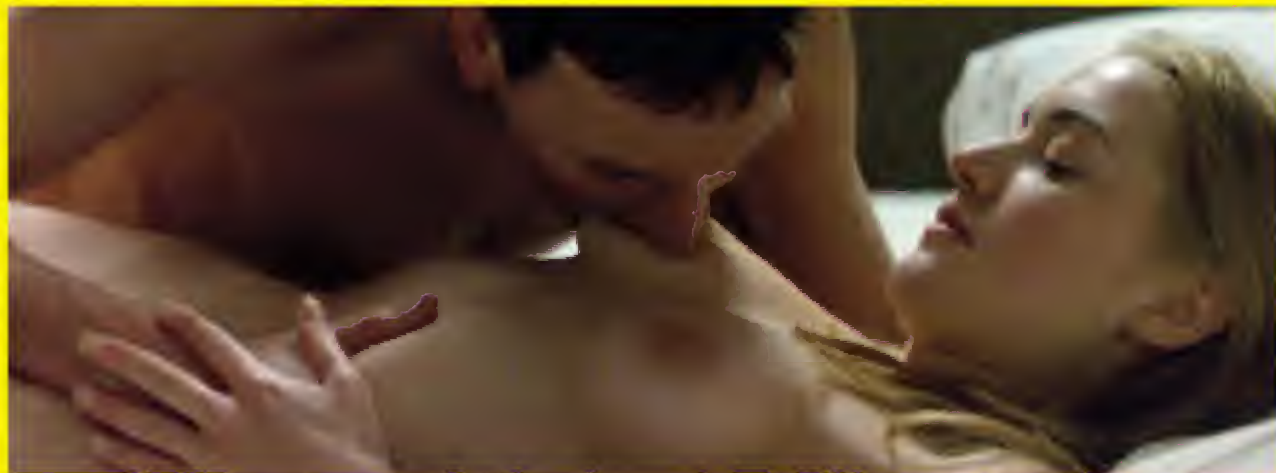

**BUSTY BRIT BOMBSHELL:** A good girl (and *terrifically talented* actress) not restricted by Hollywood's beauty standard, this *broad-in-the-beam* Brit shows no English stuffiness when it comes to serving up her musky *muffiness*. Her surgery-free, 34C *Titanics* break the ice in nearly all of her movies, from nip-slips in *Heavenly Creatures* to *not-so-skinny-dips* in *Iris* (2001, right), right on to her extended *full-figured monty* in *Jude* (1996, opposite, all).

— BUY THESE DVDS —

**KISSIN' COUSINS...& THEN SOME!:** *Titanic* sealed Kate's place as the preeminent *period-piece-of-ass*! In *Jude*, surrendering her soft, sable sex to her cuz, she purrs, "...A touch or a look that say come on. If you never look, they'll never come."

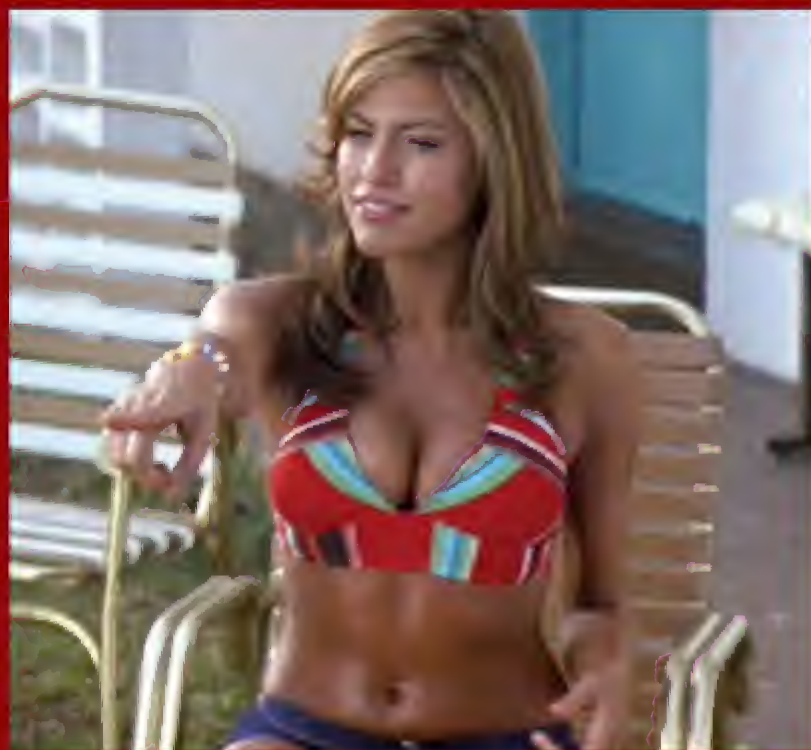

**EVA MENDES**

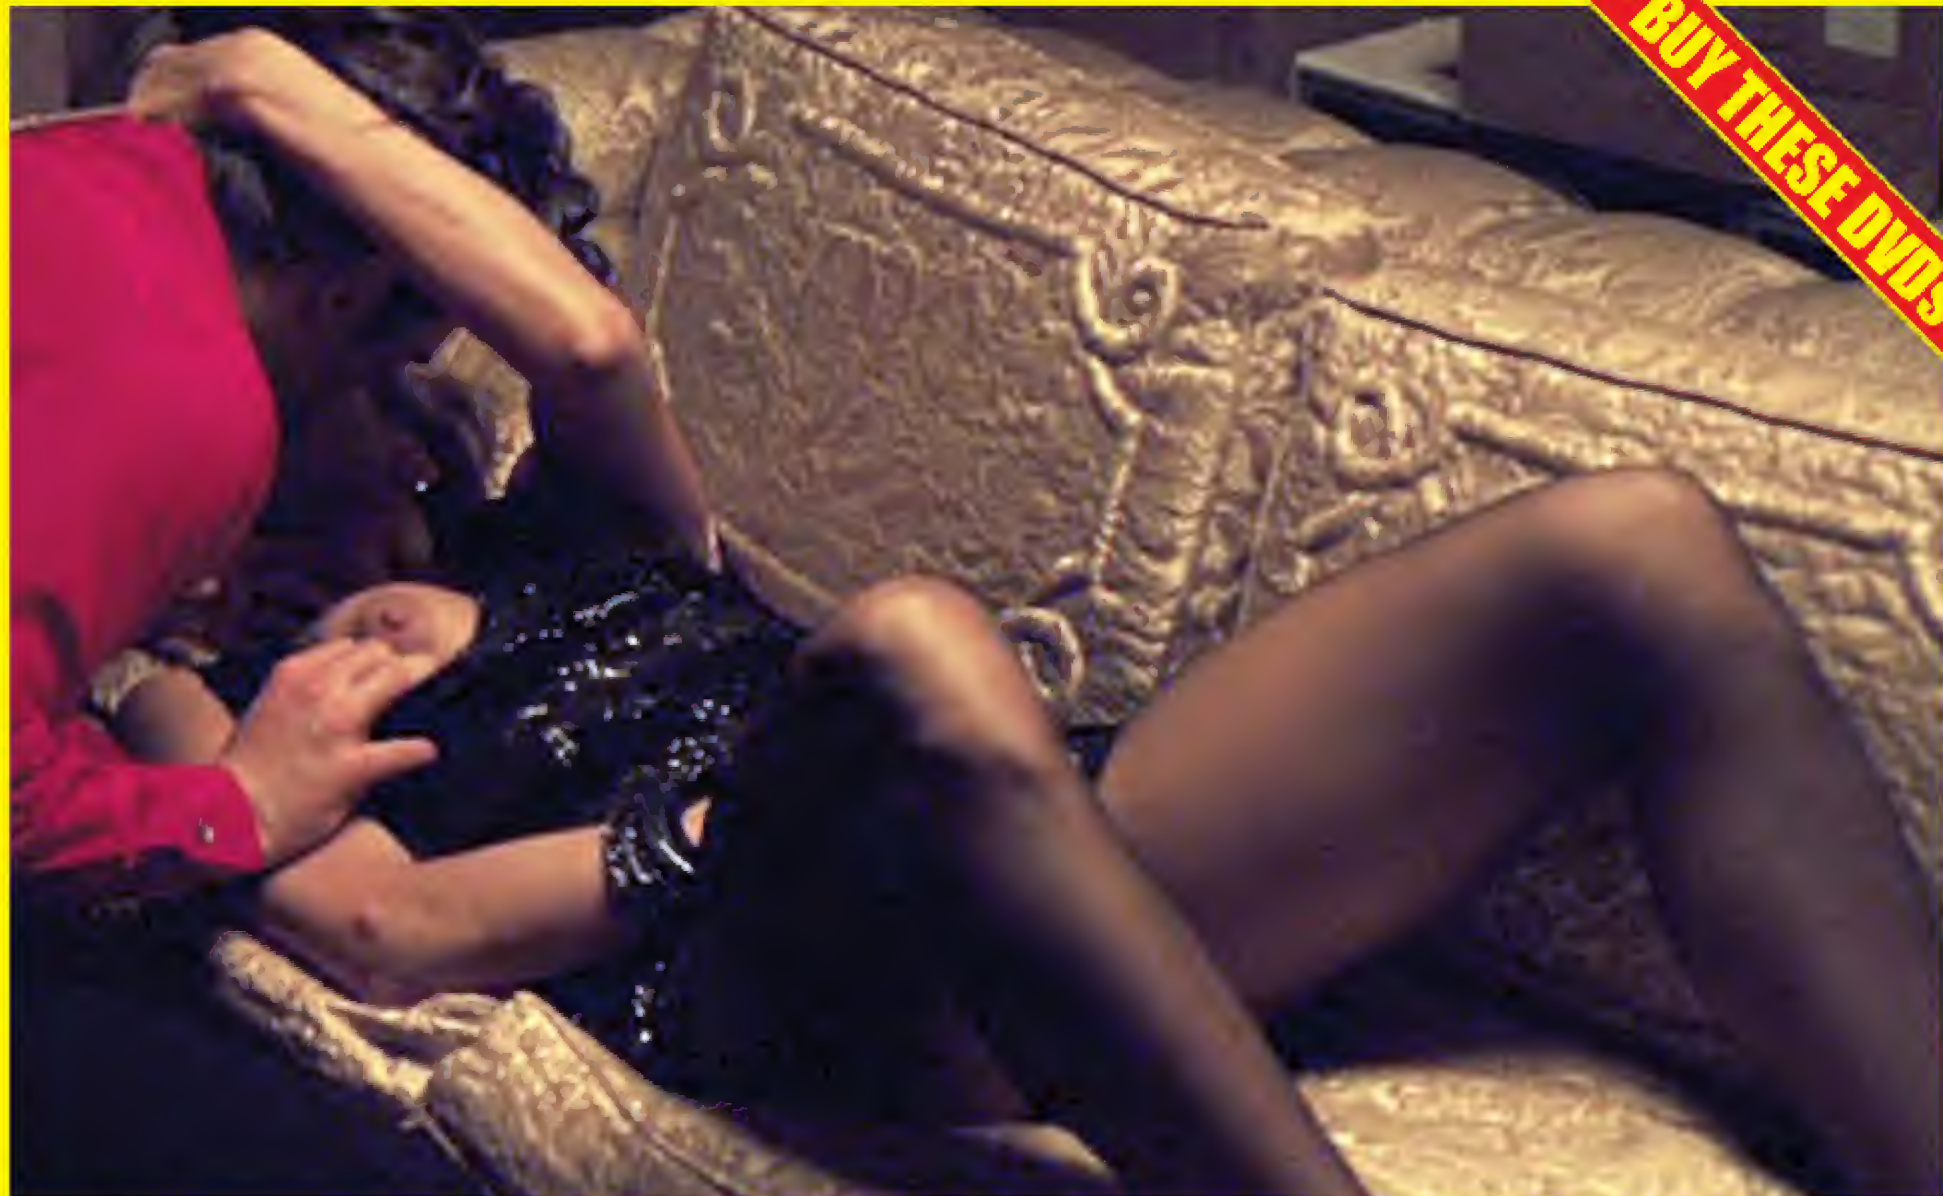

**FROM HER PETAL-PINK LIPS:** "Going nude is a really big deal for Americans—even more so when you're trying to become established and you're doing it for a film that you only have two scenes in."

**AZÚCAR!:** In the "Garden of *Eva*," there's *always* an abundance of fruit on the vine—and bush to be *a-whackin'* in! Her first shirtless salsa was as Sara in down-'n'-dirty *Training Day* (2001, below) opposite Denzel Washington; Eva played his ghetto-plaything-with-a-heart-o'-gold. Even more lovable, she's radiant as girl-next-door April Mercedes in *Stuck on You* (2003, right). Mm. Stuck. Sticky....

— BUY THESE DVDS —

**WISH WE OWNED EVA'S HEADLIGHTS!:** Eva owned our *libidos* in *We Own the Night* (2007, above, all), giving us a quickie gander at her *enormous*, cocoa-brown nipples—proof that this sweetheart's simmering like a promising pot of *Mojo rising!*

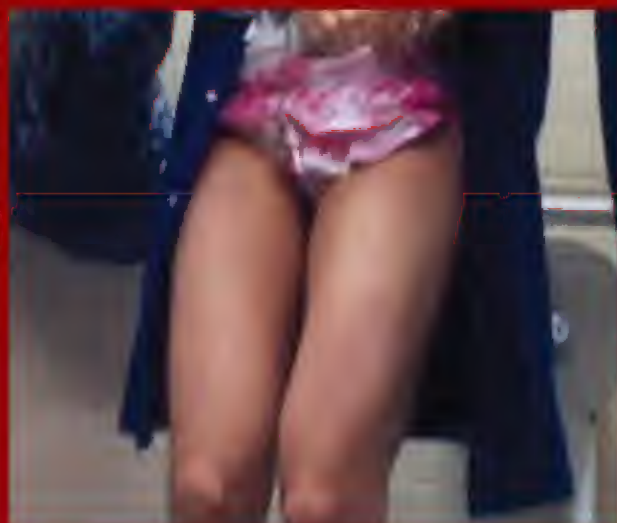

## KATIE HOLMES

**WHEN SHE WAS DAWSON'S JOEY:** "It's kind of fun being the cute, little one. In fact, I'm finding it hard to grow out of that."

**GOOD 'N' GUARDED:** Winsome Katie won hearts (and more southerly organs) as Joey Potter on *Dawson's Creek*, but the Toledo, Ohio-born cutie gained ground alternating between acclaimed films (*The Ice Storm* & *Pieces of April*) & popcorn flicks (*Disturbing Behavior* & *First Daughter*). Just as she seemed poised for mega-success with *Batman Begins*, Tom Cruise executed his patented "Oprah's couch-flip"...you no doubt know the rest. She made *Mad Money* (2008, below), but of late, she makes us kinda...worried.

— BUY THESE DVDS —

**SCIENTOLO-TITS!:** *The Gift* (2000, left & this page), stars an unusually brazen, *badass* Kate flaunting fresh-baked C-cupcakes, or...*Dawson's Peaks*! Alas, now that she's Mrs. Tom Cruise, we may well see Zenu before we ever see her *pert perkies* again.

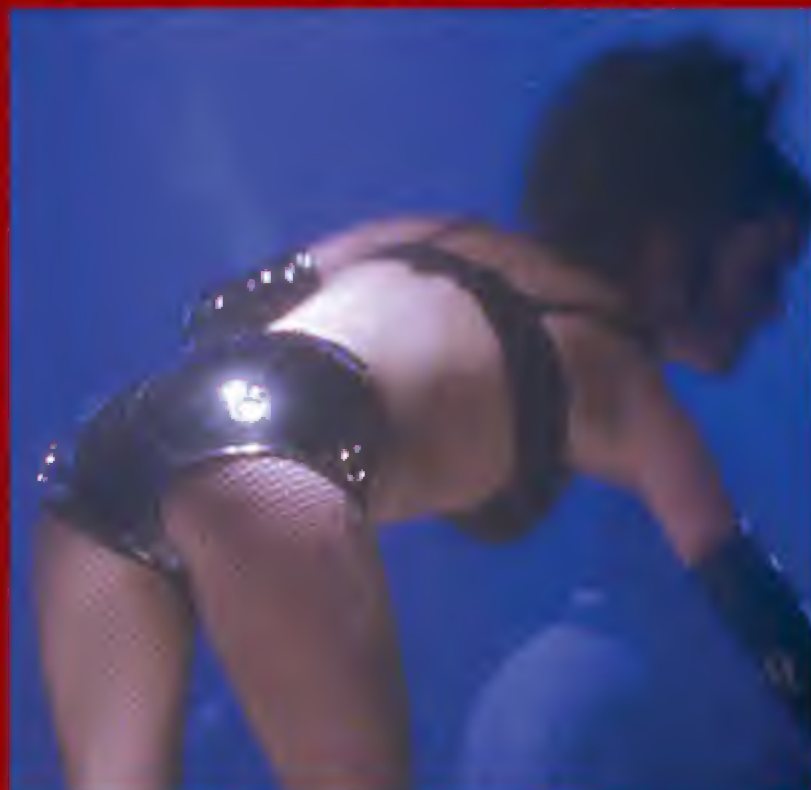

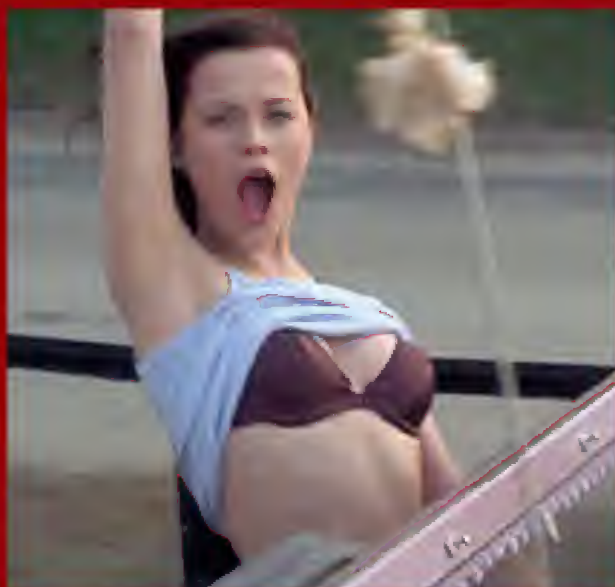

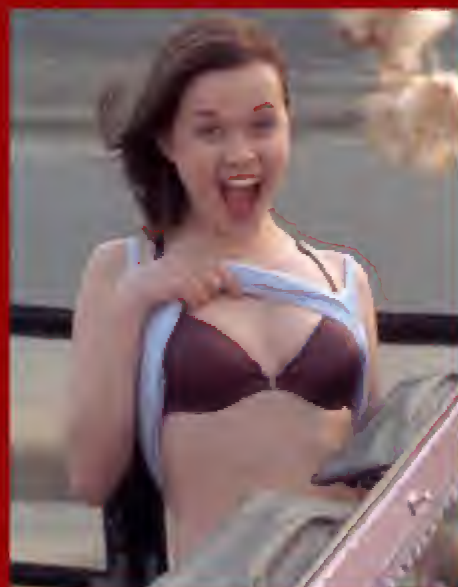

**REESE WITHERSPOON**

**FROM HER SOUTHERN PUCKER:** "...I just don't see myself as the girl that everybody likes. I never have been and I don't know how to be that person."

**REESE'S PIECES!:** Reese *IS* the lil', ol' southern gal from Tennessee that everybody likes, ever-inviting with her winning smile & *slow-cooker sex appeal*; plus, she's no slouch when it comes to filling the bill by letting it *all* out to spill 'n' thrill, too, so despite the *Legally Blonde* franchise, don't count your chickflicks before they *snatch!* Reese bared her *Masons & Dixons* in *Overnight Delivery* (1998, here) & the little-seen, yet steamy *Twilight* (1998, opposite).

— BUY THESE DVDS —

**SOUTHERN COMFORTER:** *Twilight* Reese serves up her family-size Tater Tots & indulges in finger-lickin'-good nipple-play, leaving a delicious glimmer of hope that someday, she'll bare again...and make us walk the line—right to the tissue box.

## JENNY MCCARTHY

**GOOFY 'N' GOOD:** Juggy Jenny first rocked fans' *knackwursts* with her *busty* nude photo spreads, but her breakthrough came as the outrageous co-host of MTV's classic '90s dating show, *Singled Out*, where Jenny belched, brawled—"one of the guys," indeed! You loved her lewd lampooning in *BASEketball* (1998, below) & the romantic farce *Dirty Love* (2005, left & opposite), but meanwhile, Jenny's life took a serious turn. In 2005, her son, Evan, was diagnosed with autism. Since, Jenny's authored a book on her son's struggles, and is committed to raising money and awareness about the disorder. There's a pure heart 'neath those *funbags*, boys.

— BUY THESE DVDS —

**LEZTISTIC?:** It's claimed that Jenny likes (and *licks!*) the 'gina! Jenna Jameson claims she & Jen had *hot tuna for 2* in a ladies' room. Jenny denies, but 'fessed to Howard Stern that she's *jellied a doughnut* or two.... She's not just good—she's great!

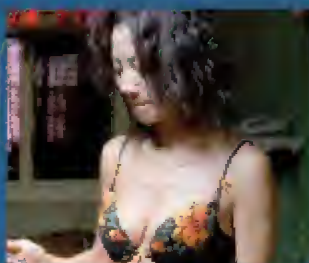

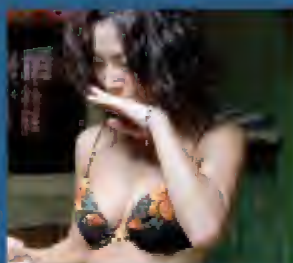

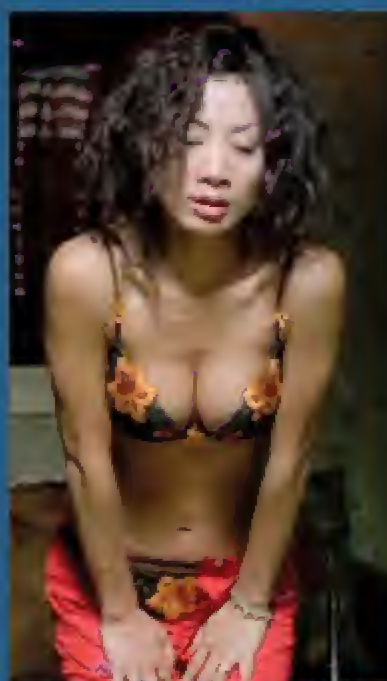

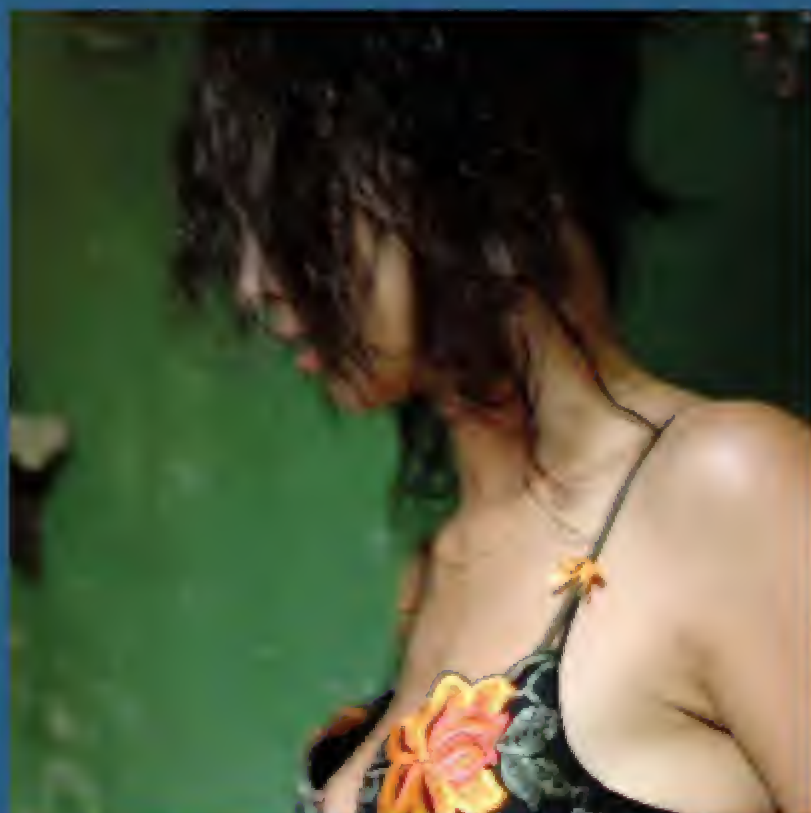

# MANEATERS!

With all due respect to the unforgettable Hall & Oates, who sang so perfectly, "She'll only come out at night/ the lean and hungry type," we bring you these untamable sexbombs—totally hot & *always* on top.

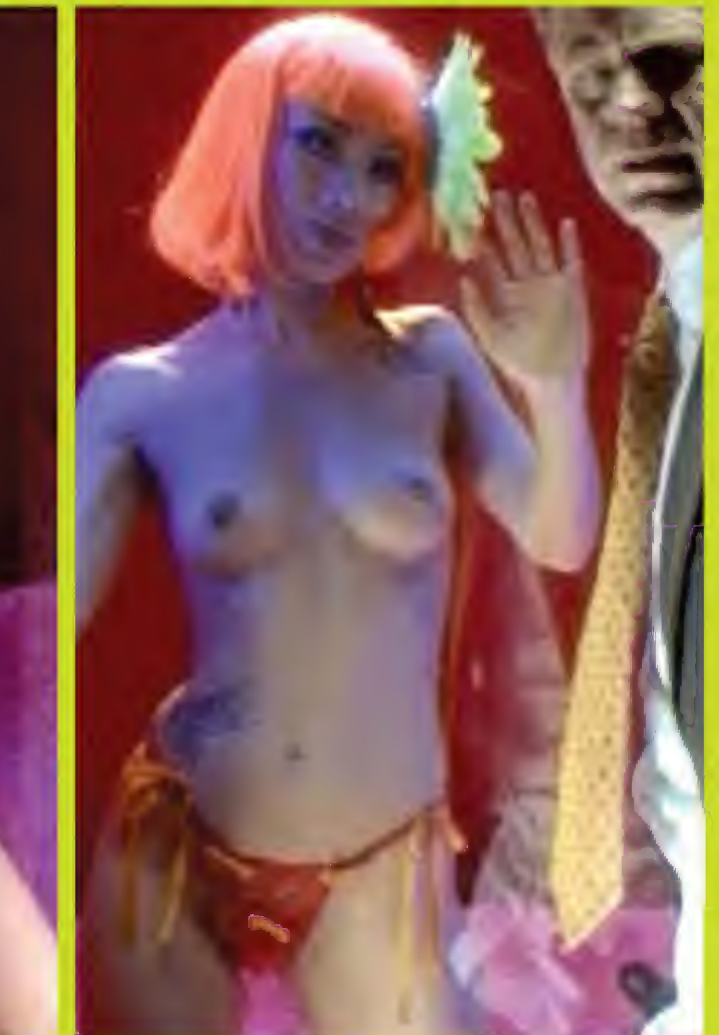

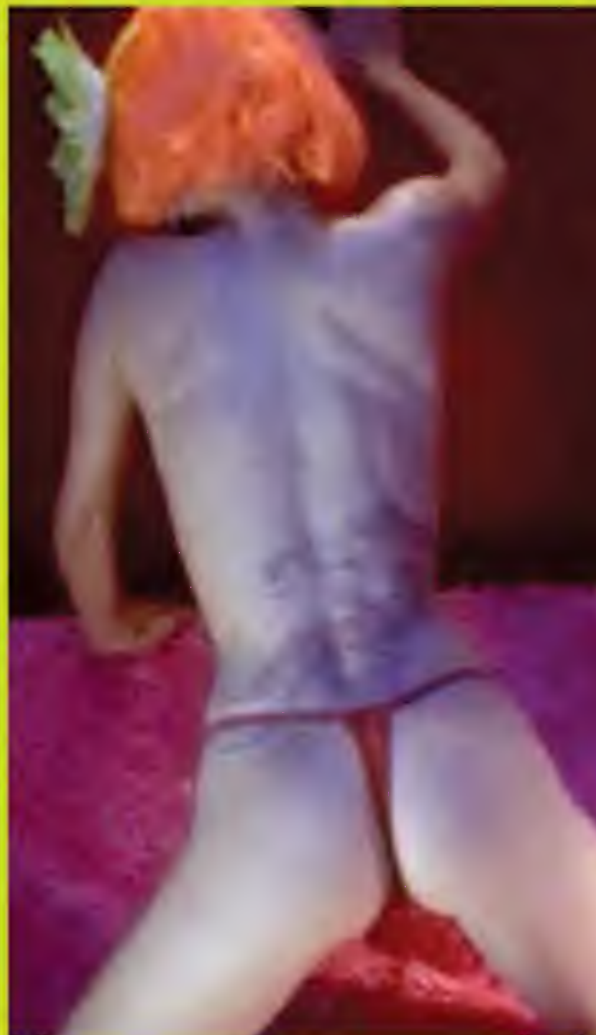

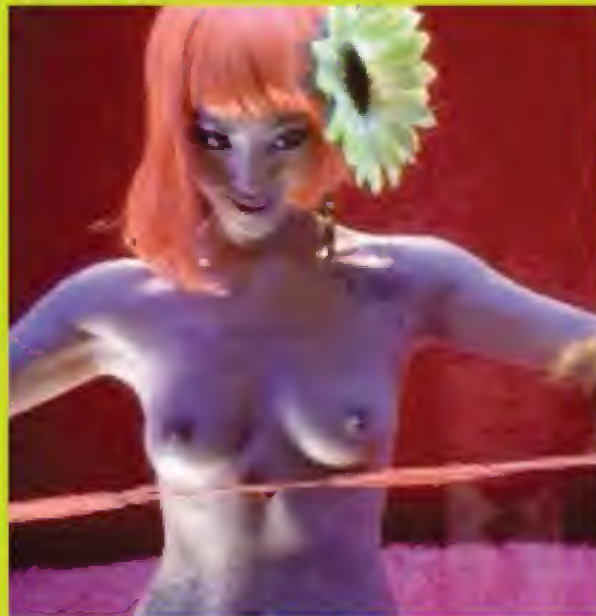

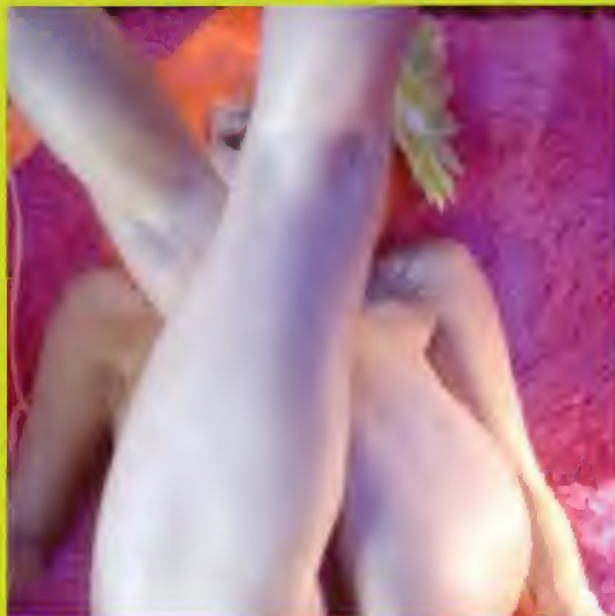

## BAI LING

**BI BAI:** Chinese Bai is a long, lithe, slinky, out-'n'-proud bisexual with a brazen, slim body tipped by *astounding nipples* the size of *doorknobs* (no wonder they're such *turn-ons*). The camera covets her carnal, eerie personae, be it as half of a brother-sister villainous duo in *The Crow* (1994), or as an ultra-creepy witchy woman who makes "killer" dumplings in *Three...Extremes* (2004, right & below), where she cruelly states, "You're rich, but...I'm *free*." Still, her electrifying turn as a fluorescent-wigged peepshow strumpet in the William H. Macy drama *Edmond* (2005, opposite, all) seems to most aptly embody the lust-driven, wild spirit of kooky Miss Ling.

— BUY THESE DVDS —

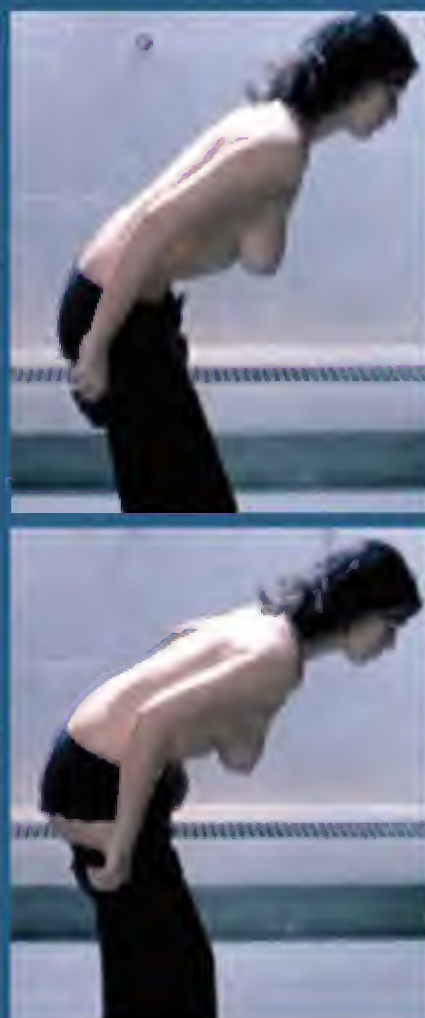

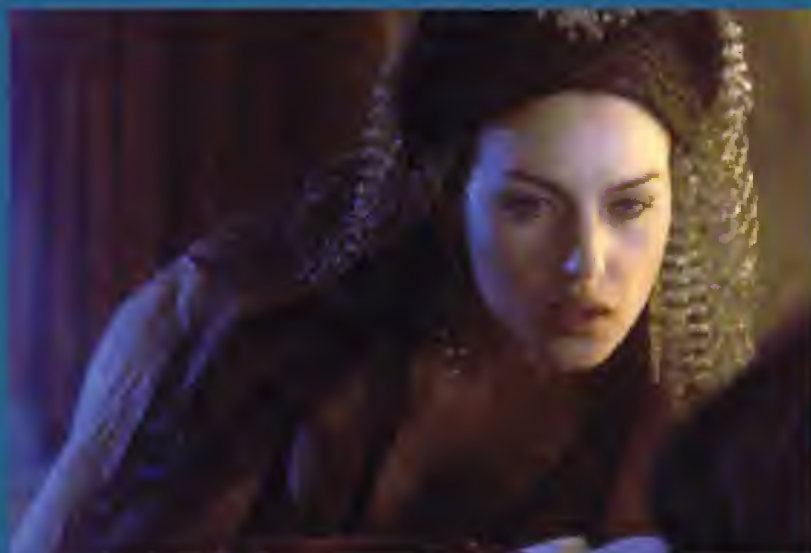

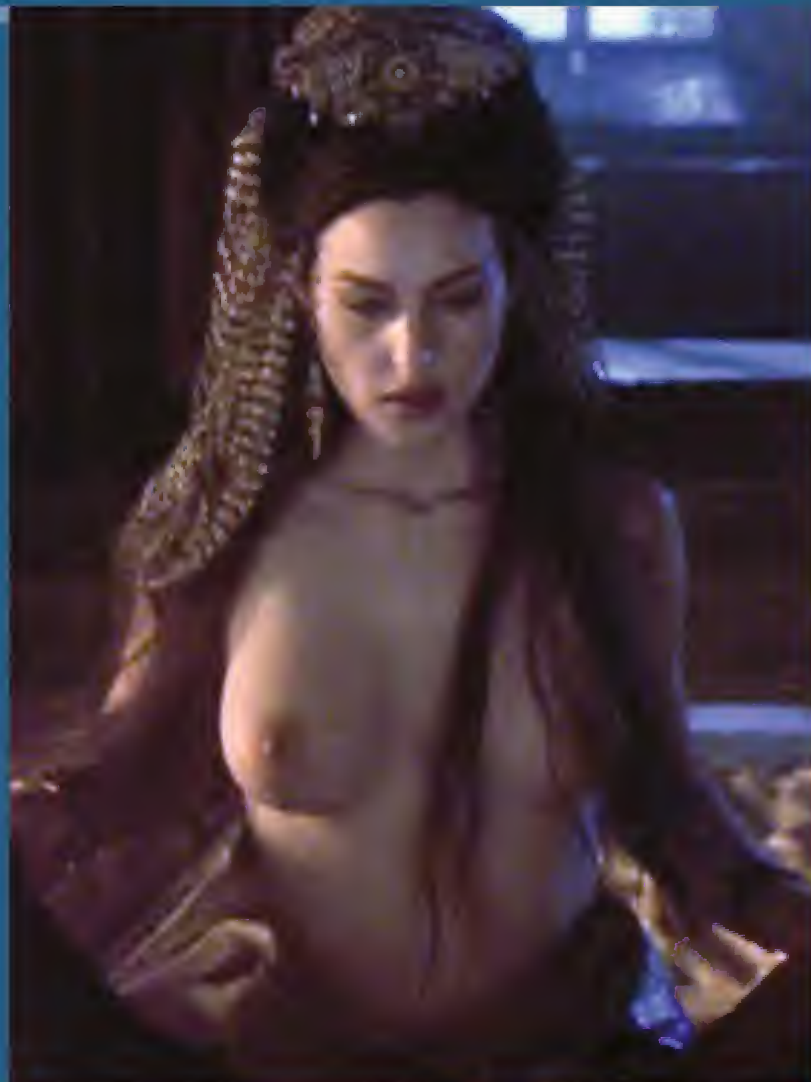

**BAI NOW...SPRAY LATER!:** Bai maintains that gender is no issue when it comes to what gets her hot, so no matter who's on the receiving end of her *out-there* affections 'n' Asian *sinsations*, he (or she) should be prepared to take it like a man.

## MONICA BELLUCCI

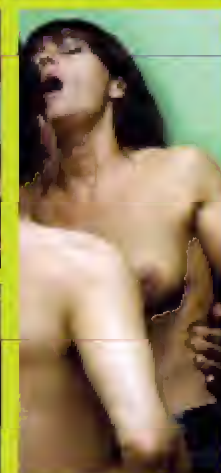

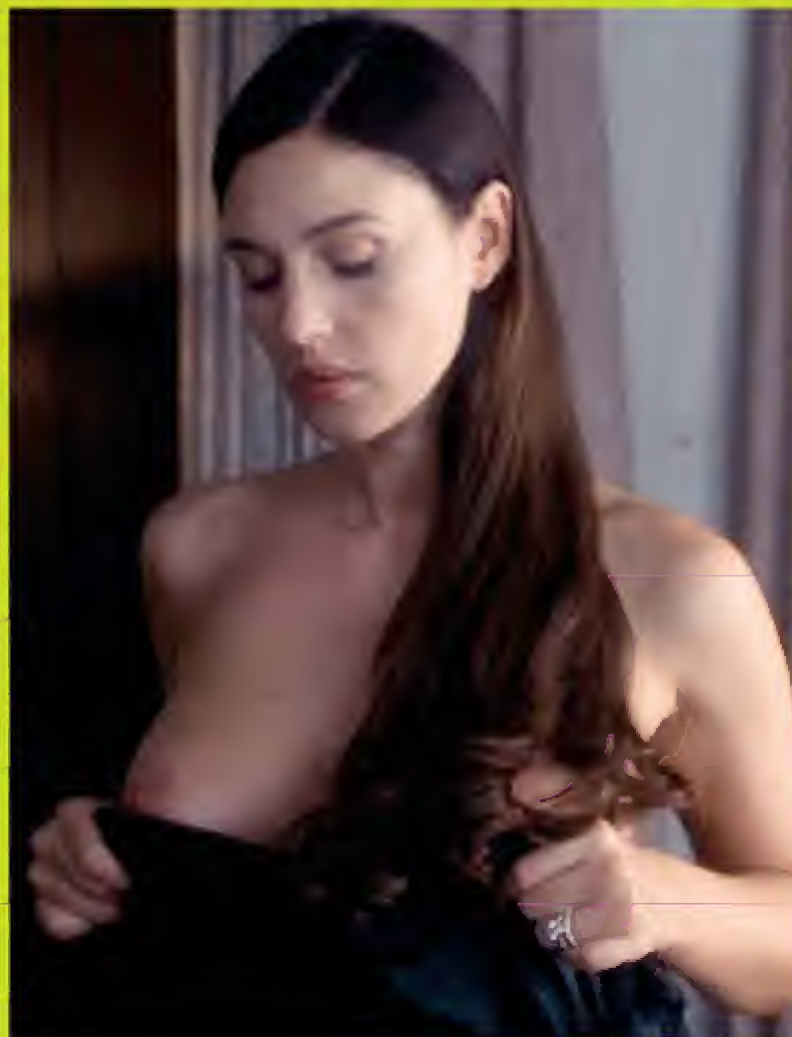

**STRACCIAMANICI?:** At 43, La Bella Bellucci has more raw natural beauty & radiates more sexual magnetism than starlets *half* her age. Italian Monica is today's earthly embodiment of the Roman goddess Venus, and we get *veiny* just *thinking* about what La Bellissima might've done in Caligula's court! Her bewitching charms made her perfect for *Dracula* (1992, top right), while luscious roles in *Under Suspicion* (2000, opposite, bottom left) & *Malena* (2000, opposite middle) led her to become a sci-fi siren as Persephone in *The Matrix* franchise. With cupid's bow-lips the color of a Dolcetto wine, she only *improves* with age and is *endlessly* intoxicating.

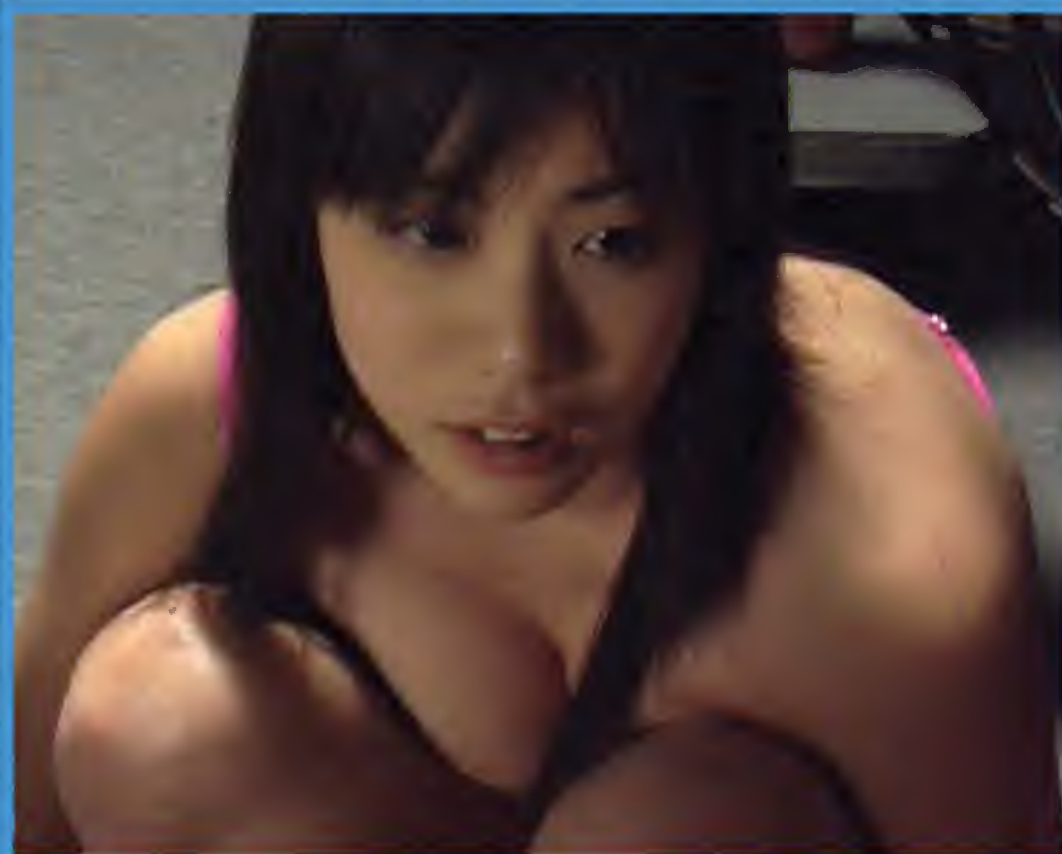

— BUY THESE DVDS —

**FIGHETTA!:** *Irréversible* (2002, top), *Shoot 'Em Up* (2007, above right) & *Agents Secrets* (2004, opposite, bottom) show Monica's range, befitting a "maneater." And to think she was Mary Magdalene in *The Passion of the Christ*!

## NATSUMI MITSU

**NUT FOR NATSUMI!:** Ferociously arousing Natsumi is an all-natural, curvaceous *mama-san* hellbent on gettin' you *hard*. But beware! Her sexuality's so bewitchin' that her best-known, bitchin' film bears the title: *Killer Pussy* (2004, spread). In this over-the-top horror blowout, Natsumi sports a literal version of the title, sprouting demonic fangs & flesh-hungry jaws where her holiest-of-holes ought to be. Still, with her luminous face, perfectly round *seat-meat* & breasts as full & buoyant as their puffy nipples are suckable, it's easy to see why men would risk the ultimate sexual shutdown just for a chance at a single moment with naked Natsumi.

— BUY THIS DVD —

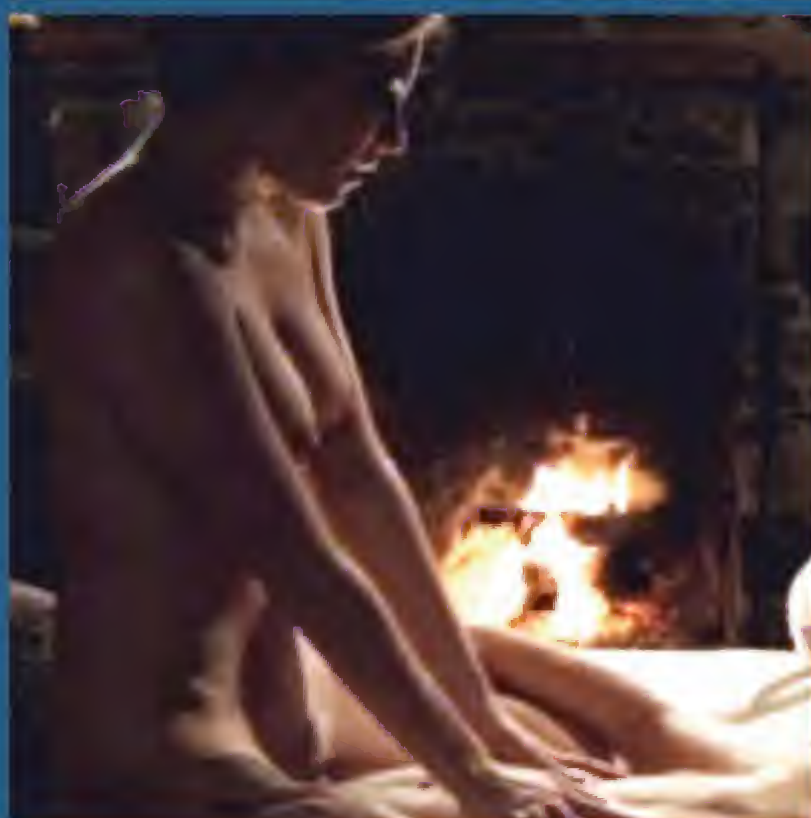

**NOTHING LIKE GETTING YOUR HANDS ON A MITSU-BOOBY!:** In Japan, Natsumi's coveted as an "AV" (adult video) star. Fans there are so obsessed with the 35-23-34 minx that they even know that her blood type is A.

## SIENNA MILLER

**MINGE-Y MILLER:** "I want tits and an arse," Sienna once said. "I'd love to be voluptuous, but I've just always been skinny. I think it'd be wonderful to have curves." But don't let her slight frame fool you—*Slinky-ienna's* sexual heat is so incendiary that clothes can barely contain this English eyeful! Since her smokin' nude debut opposite Jude Law in *Alfie* (2004, opposite, all), this strumpet-y crumpet's repeatedly *peeled* on screen, perhaps most spectacularly as doomed socialite/starlet Edie Sedgwick in the biopic *Factory Girl* (2006, this page). Sienna's apparent real-life aversion to keeping her *top* on in public's made her a true, *blue Celebrity Skin* Sweetheart.

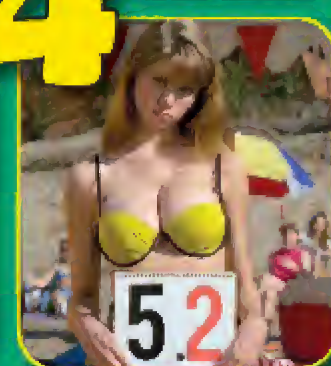

— BUY THESE DVDS —

**MILLER'S THIGH LIFE:** Paparazzi have tracked Sienna from disastrous engagements & breakups with Jude Law & Rhys Ifans, on to her recently revealed high-seas canoodling with actor and oil heir Balthazar Getty. He's married—but he's also *rich*.

SKINSIDE'S MIDNIGHT MOVIE!

# Meatballs 4

Judging by his looks in the shot above, former child star and consistently troubled adult who's still looking for his "grown-up" break, Corey Feldman had more than 4 meatballs before signing on to star as Ricky Wade in ***Meatballs 4*** (1992), the raunchy installment in the *meaty balls* franchise that strays far from Bill Murray's original—and asks you to believe that Corey could play "the hottest water-ski instructor around." Chock full of juggy nudies and lewd laffs, we'd have called it, *Meatyboobs*.

**THE SKINNY:** Twenty-four years after the original *Bachelor Party* made a movie star out of Tom Hanks (and stars of a different sort out of Tawny Kitaen and Adrian Zmed), the spirit of sex-drugs-and-premarital-anarchy gets reignited in *Bachelor Party 2: The Last Temptation*. This time the hapless groom is Josh Cooke, and his bride-to-be is played by smolderingly sexy blonde ice-queen Sara Foster. Before anyone gets near an altar, though, there's enough of an onslaught of hookers, strippers, massage girls and straight-up horny babes to make *Bachelor Party 2* a skin-stant classic. Let it ring your bells, *now*.

BACHELOR PARTY 2: THE LAST TEMPTATION

## CARVER (2008)

**NUDE:** Savannah Costello (FFN)

**THE SKINNY:** The splattery slasher flick *Carver* claims to be based on true events. And maybe it is. Certainly, somewhere, a group of hikers may have come across a pile of snuff films stashed in a backwoods cabin. And when they did, the movies' owner may have embarked, then, on his own homicidal rampage. Sure. But does the truth, here, really matter? Not when a scream queen as howlingly hot as Savannah Costello bares funbags and furburger, which is what happens in *Carver*. That, then, is all that matters.

Molly provides viewers with a powerful opportunity to play with themselves by exposing her ripe, round, rose-nippled bazoombas. And do you know who wins when the game takes that turn? *Everybody!*

After Dawn Ann Billings and Peggy Trentini enjoy a round of luscious lesbian love, Peggy turns up dead in Shannon's swimming pool. Which is exactly what she does!

### LAKE DEAD (2007)

**NUDE:** Malea Richardson

**THE SKINNY:** A canoe trip to Grandpa's spooky cabin in the forest turns frightful for a gaggle of sexy sisters in the psycho-killer fright-film *Lake Dead*. Prior to the woodsy lunatic running wild, Kelsey Crane and Tara Gerard provide pulse-pounding moments of their own when they turn up (and on) in bikinis. Co-star Malea Richardson bests them both by baring her breasts while getting boinked from behind while bent over a lucky tree trunk. The wet-making ladies of *Lake Dead* will leave a puddle in your lap.

### THE LOST (2005)

**NUDES:** Misty Mundae, Ruby LaRocca, Shay Astar, Robin Sydney

After executing two victims, Ray turns his attention to the girlfriend of a cop who's already on his tail. The confrontation that builds and ultimately explodes is gripping, violent and nerve-rattling. Thoroughly exciting in whole other ways are nude scenes by a scintillating slew of naturally appealing beauties, including breakout softcore sensation Misty Mundae (who goes fantastically full-frontal and sucks Sapphic face with Ruby LaRocca). If you're looking for a thriller packed with beautiful nubile in the buff, find *The Lost*.

**THE SKINNY:** The Italian horror gem *The Sister of Ursula* focuses on a seaside vacation that gets complicated by—wouldn't you know it?—a frenzied creep who's out for blood. The good news is that between gushers of the red stuff, *The Sister of Ursula* is an absolute feast of naked flesh, and a special treat for fans of '70s Euro-vixens. Keep an extra eye (among other organs) out for a lilting lesbian interlude between Anna Zinnemann and Antiniska Nemour.

**EXTRAS:** Director interview, trailer

### WRESTLEMANIAC (2006)

When a low-budget movie crew en route to Cabo San Lucas ends up in the ghost town, they learn—the scary way—that the local tales are true. As the titular spook bumps them off one by one, Margaret Scarborough and Catherine Wreford get nude and relax by indulging in an invigorating girl-girl love tussle.
